Strength for the Cancer Journey

30 Days of Inspiration, Encouragement, and Comfort

DEBORAH BARR

There's nothing easy about having cancer. For most people, cancer is a hard, reluctant journey through rugged, unfamiliar terrain. Ultimately, however, there are really only two ways to face cancer: in our own strength or with the help and strength that God supplies.

Strength for the Cancer Journey provides empathetic, daily reminders that God is present for anyone facing the challenges of cancer. Each of these thirty devotionals draws upon anecdotes and insights from God's Word to help readers invite God into the realities, uncertainties, and frustrations of their cancer experience. While cancer is a journey no one wants to take, no one ever has to walk that road alone. This devotional book will help both patients and caregivers to engage deeply with God, gaining new strength for the cancer journey.

On Waiting Well

Moving from Endurance to Enjoyment When You're Waiting on God

BRADLEY BAURAIN

In a fast-paced society, we don't like waiting for anything. Drive-throughs and microwaves expedite dinner while texting and email afford instantaneous communication. Because we're conditioned to expect instant gratification, we're startled—even frustrated—when we have to wait. And perhaps we become spiritually frustrated, doubting our faith, when we find ourselves waiting on God.

Bradley Baurain invites Christians to reject how society has conditioned us to view waiting—especially when it comes to knowing God. *On Waiting Well* identifies the experience of waiting as a crucial dimension to loving God, having faith, and following Christ. Your time doesn't have to become passive, purposeless, or tedious when God seems to be absent or moving slowly. Instead, discover how waiting is actually integral to God's plans of life and salvation. When we gain that perspective, these seemingly dry times of waiting become invigorating opportunities to strengthen our hope in God and see that He is always faithful.

Why Does God Make Us Wait? And Wait... And Wait...

AUDIENCE

Those who find themselves waiting for God to answer a major life challenge or a deep longing of their heart

NOTABLE FEATURES

A Practical Guide for Praying Parents

ERWIN W. LUTZER

Any Christian mother and father, or grandmother and grandfather, desires what is spiritually best for their children. However, knowing how to pray for them can often be as challenging as knowing what to pray. Without proper guidance, our prayers are prone to become dry, repetitive lists of requests.

With the help of Dr. Erwin Lutzer, you can learn how your best, loving intentions can become enriching, effective intercessions for your children or grandchildren. Trade your lists of requests for Scripturally-based prayers that will immerse you in God's promises and will. In *A Practical Guide for Praying Parents*, Dr. Lutzer addresses:

- How to pray when children have hardened hearts
- How to pray for children who have become wayward prodigals
- How to become a prayer warrior who prays in the face of spiritual warfare

This small guide will help you pray scriptural prayers that both bring you closer to God and bless your children. You'll also find daily Biblical prayers crafted by Dr. Lutzer himself to help you begin your prayer journey. With your love for your children, your desire to help, and Dr. Lutzer's guidance, your prayers can become effective ministry in the lives of those you care for the most.

Forerunners of the Faith

13 Lessons to Celebrate Our Christian Heritage

NATHAN BUSENITZ

The Christian faith extends beyond our personal experiences, our individual churches, and far beyond our present age. This, for the Christian, is great news. When we become acquainted with the legacy of our Christian heritage, we connect our stories to those of the faithful believers who have come before us.

This connection is precisely what Nathan Busenitz, Dean of Faculty and professor of church history at The Master's Seminary, seeks to provide. Based on the bestselling *Fundamentals of the Faith*, *Forerunners of the Faith* outlines the biblical orthodoxy that characterizes the true church. Busenitz succinctly identifies thirteen key lessons that capture the trials and triumphs of the historical Church, providing insights for how the ancient Christians responded to the problems of their day to become the pillars of faith we now consider them to be. Learn how your faith stands on the shoulders of giants like Athanasius, Augustine, and Wycliffe. More than a didactic resource, *Forerunners of the Faith* serves as spiritual encouragement as we remember the legacy of God's faithfulness to his people

Living a Life that Invites Others to Jesus

HEATHER HOLLEMAN, WITH ASHLEY HOLLEMAN

Sent: Living a Life that Invites Others to Jesus invites you to grow joyfully with Jesus as you live out your true identity as sent to share Jesus with others. Heather and Ashley Holleman have fully embraced their identities as sent through nearly two decades of full-time ministry. With joy, they proclaim the name of Jesus knowing that God is always at work around us, that He is seeking and saving the lost, and that He is excited for us to do this work with Him.

In *Sent*, they provide insights and stories gleaned from their experiences so you too can live into your identity as sent. You'll learn practical strategies for gathering those in your community through discussion questions and activities that teach everything from asking good questions to sharing your own stories of gospel transformation. Use this resource individually or in groups to grow in intimacy with Christ as you engage the world around you with the hope and love of Christ. When we believe in God's desire to reach the lost, how we live our own lives changes, and we begin to partake in the joys—not obligations—of evangelism.

What if your ordinary interactions with family, neighbors, and coworkers are actually invitations to adventure with God?

Dangerous Virtues

How to Follow Jesus When Evil Masquerades as Good

JOHN KOESSLER

When sin is disguised as virtue, the path to cultivating righteousness becomes impossible. Such is the challenge Christians face in the modern age. Not long ago, most people would agree that the seven deadly sins are in fact deadly. But ask them today, and you'll hear a different answer. Today, "anger" is often considered an admirable emotion, "lust" the only expression of love, and "greed" the unassailable right to "get what's yours." The world can rebrand sin all it wants and declare the death of truth, but it has no power against the truth of the Scripture. What God calls sin is sin—no matter what the world says. And sin always has the same destination—death and destruction.

Dangerous Virtues examines how to recognize these seven deadly sins as they are subtly disguised in today's culture. Dr. John Koessler provides a theology of sin and why the Christian must develop a prayerful heart and discerning eye to identify where sin exists in a world where good is called evil and evil called good.

Kingdom Encounters

Experiencing More of God When Life Hurts

TONY EVANS

Many faithful church-goers often feel like something is missing. Perhaps you need more than a daily devotional or small group discussion. Perhaps you feel like you're just going through the motions. What all Christians need for the spiritual journey is a vibrant, life-changing kingdom encounter.

Dr. Tony Evans identifies kingdom encounters as powerful moments when we connect with God beyond information and through experience. In *Kingdom Encounters*, Dr. Evans explores how the faithful characters of Scripture encountered God—and were forever changed. As we see in the lives of these characters, these moments often occur in the middle of conflicts and trials when we least expect it. Dr. Evans' hope for you is that, "you realize that when things are going left, you feel trapped and God seems absent, that you are probably right where God wants you in order to experience a life-altering kingdom encounter." Join Dr. Evans as he explores how these moments can bolster your faith, restore your hope, and make clear to you the face of our almighty God.

The Grumbler's Guide to Giving Thanks

Reclaiming the Gifts of a Lost Spiritual Discipline

DUSTIN CROWE

The apostle Paul instructed the Philippians to be anxious in nothing and thankful in everything. And when he said everything—he meant everything. We can all agree that this is easier said than done. Disappointments and discontent may cause you to slip into dissatisfaction, and grumbling becomes a state of mind—gratitude seems impossible to find. However, what if this is the precise reason you lack the joy of a God-filled life? Instead of a reaction to when things are going well, what if gratitude is actually necessary to knowing the hope of our gracious God?

This is exactly what Pastor Dustin Crowe identifies in *The Grumbler's Guide to Giving Thanks*. Dustin examines the biblical foundations of thankfulness and traces how it can reshape every-day Christian living. When we express gratitude in all things, we not only praise our Creator, we also get to know Him better. With *The Grumbler's Guide*, you'll learn how to practice thanksgiving in both simple and extraordinary ways, even when you're tempted to dwell on the negative. You'll find your outlook on life realigned to see the hand of God in everything, strengthening your trust in Him. And in doing so, you'll find greater, more joy-filled reasons to continue expressing thanks to our good and generous God.

Trade Grumbling for Gratitude—Experience God like Never Before

DAVID LEEMAN, AND BARBARA LEEMAN

Music has always been central to celebrating the coming of Christ into the world. With *Hosanna in Excelsis* you can experience the hymns of the season like never before. This devotional couples the lyrics and score of a new hymn daily with a devotional message about the hymn's biblical and spiritual truths. You'll find hymns of advent like "O Come, O Come Emmanuel" that anticipate the coming of Christ, hymns of Nativity like "O Little Town of Bethlehem" that celebrate His birth, and hymns of Epiphany like "Go Tell it on the Mountain" that marvel at His glory. How Your Brain's Secret Circuit Affects Your Relationships--And How You Can Activate it

CHRIS M. COURSEY

Why do we sometimes feel more connected in our relationships than at other times? Perhaps you sometimes find it easy and exciting to spend time with your loved ones—but sometimes, especially when things don't according to plan, you feel incapable of connecting in conversations. What Comes Next?

Shaping the Future in an Ever-Changing World - A Guide for Christian Leaders

NICHOLAS SKYTLAND, ALICIA LLEWELLYN, FOREWORD BY WILL MANCINI

Our mission as Christians was the same yesterday as it is today and will be tomorrow. The world, however, is changing faster than ever before, and keeping up feels impossible. The realities of human life—from how we develop relationships to how we use technology to have impact—therefore change rapidly too. It's critical that Christian leaders take this into consideration as they plan for their organizations' future.

In *What Comes Next?*, strategists and innovation experts Nick Skytland and Ali Llewellyn use the eight elements of their Futures Framework to teach us how to help shape the future, be visionary, and grow our businesses and ministries. This futures-thinking process is a proven solution for executives, entrepreneurs, pastors, and anyone in between who struggles to respond to an ever-changing world.

What if, instead of keeping up with change, you could get ahead of it?

Susie

The Life and Legacy of Susannah Spurgeon, wife of Charles H. Spurgeon

RAY RHODES JR., FOREWORD BY R. ALBERT MOHLER JR.

While many Christians recognize the name of Charles H. Spurgeon, the beloved preacher and writer, few are familiar with the life and legacy of his wife, Susie. Yet Susannah Spurgeon was an accomplished and devout woman of God who had a tremendous ministry in her own right, as well as in support of her husband. She edited and published her husband's sermons, wrote five books, and was instrumental in planting a church. And as her writing attests, she was a warm, personable, and interesting woman.

Ray Rhodes Jr. examines Susannah's life, showing that she was not only the wife of London's most famous preacher, but also a woman who gave all she had in grateful service to the Lord.

Susie is an inspiring and encouraging account of a truly remarkable woman of faith that will delight Spurgeon devotees and fans of Christian biographies alike.

Turning of Days

Lessons from Nature, Season and Spirit

HANNAH ANDERSON

From the beginning, Scripture tells of a God who created the heavens and earth. It tells how he made the sea and land, the rosebud and beetle. But what might the heavens and earth tell us were we to listen to them? What wonders might the birds and flowers share? What might we discover of order, chaos, beauty, and unabashed grace?

Turning of Days beckons you to a world of tree frogs and peach blossoms, mountain springs and dark winter nights—all in search of nature's God. All in harmony with Scripture. Join Hannah Anderson, the author of *Humble Roots*, as she journeys through the four seasons searching out the spiritual and theological truths woven deep within the natural world. This collection of devotional essays and illustrations will feed your soul, guiding you into a life of observation and awe, a life that sees His glory everywhere.

Walk with Me

Simple Principles for Everyday Disciplemaking

BILL MOWRY

When our hearts are changed by Christ, it's natural that we should want to help others come to know Him too. And while Scripture clearly sets forth how to do so, modern Western society has formalized, professionalized, and systemized discipling to a point that it seems too complicated to practice. What happened to the simple, heart-to-heart ministries of the New Testament?

In *Walk with Me*, you'll return to the essential biblical practices that help people grow as Christ-followers in simple, slow, and deep ways. Learn how you can connect with your neighbors, coworkers, or anyone you want to reach with the Gospel in ways that are relational and Spirit-led. You'll learn five Kingdom principles that will reshape how you can pass on the faith:

- In heart-to-heart ways
- By keeping it simple
- By going slow
- By building deep
- By living on mission

THE VOICE OF THE MARTYRS is a nonprofit, interdenominational missions organization dedicated to serving the persecuted church worldwide through practical and spiritual assistance and leading other members of the body of Christ into fellowship with them.

Voice of the Martyrs was founded in 1967 by Pastor Richard Wurmbrand, who was imprisoned for fourteen years in Communist Romania for his faith in Christ; his wife, Sabrina, was imprisoned for three years. In 1965 they were ransomed out of Romania, and soon thereafter they established the global network of missions of which Voice of the Martyrs is a part. They based these missions on Hebrews 13:3.

P. TODD NETTLETON is the Chief of Media Relations and Message Integration for the Voice of the Martyrs--USA and the host of *The Voice of the Martyrs Radio*. He serves as a voice for persecuted Christians, working with the media to tell people in the United States about the faithfulness of Christ's followers in 70+ nations where they face persecution. He has traveled the world and conducted face to face interviews with hundreds of Christians who have endured persecution. Todd and his wife, Charlotte, have two sons and two daughters-in-law.

Pursuit of God: A 31-Day Experience

A.W. TOZER, COMPILED BY EDYTHE DRAPER

During a train trip from Chicago in the late 1940s, A. W. Tozer began to work on *The Pursuit of God*. He wrote all night long, the words coming to him as fast as he could put them down. By the next morning, when the train pulled into McAllen, Texas, the rough draft was done.

Although written in such a remarkably short period of time, the depth, clarity, and completeness of A. W. Tozer's message has made *The Pursuit of God* an enduring favorite—over a million copies are now in print in 20 languages.

The complete text of this classic has been divided into 31 daily meditations. Quotations from some of Tozer's forty-plus works, contemporary authors, and even classic authors enhance the text.

Letters to a Romantic: First Years of Marriage

SEAN PERRON AND SPENCER HARMON

The first years of marriage are filled with joys, sorrows—and surprises. They set patterns that can determine the course of the marriage for years to come. As you begin to work through the nitty-gritty details of home life together, you probably have some questions, and you know the stakes are high.

If you want to navigate the early days of your marriage in a way that glorifies Christ and honors his Word, *Letters to a Romantic: First Years of Marriage* is a great resource for getting a conversation going. In warm, short, practical letters, Sean and Spencer guide couples through their common “firsts”: from major choices like deciding when to start a family, to the everyday details of establishing holy household habits, to the concerns raised by common sexual issues in marriage. You will discover the resources you need to lay a foundation for a healthy and God-honoring lifelong relationship.

Sean Perron (MDiv, The Southern Baptist Theological Seminary) is the associate pastor at First Baptist in Jacksonville, Florida. He is a certified biblical counselor and previously was director of operations at the Association of Certified Biblical Counselors (ACBC). He and his wife, Jennifer, have one son.

Spencer Harmon is a pastor at First Baptist’s Nocatee Campus in Jacksonville, Florida, having previously served as senior pastor of Vine Street Baptist Church in Louisville, Kentucky. He and his wife, Taylor, live in Saint Johns, Florida, with their children.

Endorsement

“Letters to a Romantic on the First Years of Marriage is a remarkable resource. It manages to be both extremely practical and persistently gospel focused. The plain, unembarrassed and open discussions about sex alone are a must-read. But Harmon and Perron go beyond the obvious essentials of sex, money, and in-laws, zooming in on matters like hospitality, godly approaches to rest and entertainment, and how to love a spouse who is doubting their faith. Whether you consider yourself a “romantic” or not, this book will strengthen every young marriage...and I can personally report that their wisdom is strengthening at least one older marriage too!”

Everyday Prayer with the Reformers

DONALD K. MCKIM

Most contemporary Christians will not delve into the writings of historic Protestant theologians. But they may be interested in learning about Reformed teachings on prayer in the format of considering a sentence or two from the theologian and through my short discussion of the meaning of the quotation which incorporates a practical application of the teaching for Christian living today.

This devotional introduces readers to important theological teachings—Protestant theologians' teachings on prayer—in a way that is accessible and useful for their understanding of prayer and the importance of the quotation for their life of Christian faith. No other book approaches Protestant views of prayer in this way, which will nourish the minds and souls of readers.

Donald K. McKim is a retired minister of the Presbyterian Church (USA). He has served as a pastor, a seminary theology professor, an academic dean, and an editor for Westminster John Knox Press. He is the author and editor of a number of books. He and his wife, LindaJo, live in Germantown, Tennessee.

Endorsements

"We are all indebted to Don McKim for making the great reformers accessible, and for showing us how pertinent their work remains for our spiritual life today. This is a gem of a book on their address to God in prayer. A wonderful guide for worship and devotion."

—**Timothy George**, *research professor at Beeson Divinity School of Samford University and general editor of The Reformation Commentary on Scripture*

"These devotional gems bring together Scriptural passages, Reformers' insights, and Donald McKim's own pastoral heart. This rich resource will surely foster and deepen believers' lives of prayer."

40 Favorite Hymns for the Christian Year: A Closer Look at Their Spiritual and Poetic Meaning

LELAND RYKEN

We all have favorite Christmas carols or Easter hymns, but we sometimes overlook their artistry—not realizing that these familiar songs are also powerful works of devotional poetry! This anthology invites us to slow down to experience their beauty, as English professor Leland Ryken provides historical background, literary analysis, and a complementary Scripture text. The result is a wonderfully devotional and poetic study of the Christian's year.

Leland Ryken (PhD, University of Oregon) is the author of more than fifty books on biblical and literary topics, the literary editor of the ESV Bible, and emeritus professor of English at Wheaton College in Illinois.

Endorsements

"What a great idea for a book! Professor Ryken helps hymn lovers to slow down and savor the words of classic hymns. While providing fascinating historical and authorial background, Ryken draws us into the special poetic language and metaphors that have made each hymn so beloved, memorable, and life-changing."

—**Louis Markos**, *Professor in English and Scholar in Residence, Houston Baptist University; Author, Literature: A Student's Guide and On the Shoulders of Hobbits: The Road to Virtue with Tolkien and Lewis*

"Have you ever thoughtlessly sung a hymn, carried along by the familiar tune and well-known words, but disengaged in your heart and mind? In this intriguing volume, Leland Ryken is about to rescue you from such mindless, if melodic, repetition. By analyzing the poetry of forty well-known and beloved hymns, the author offers insight into these compositions as verse, enabling readers to appreciate the form and style of each piece. He also highlights the theology of each poem and links it to Scripture, providing ample material for meditation and prayer as well as inspiration for robust and thoughtful singing!"

—**Rhett P. Dodson**, *Senior Minister, Grace Presbyterian Church, Hudson, Ohio*

"This fine little book will serve as a salutary antidote to the thinning content of much of what passes for worship music today. Contemporary Christian music is in desperate need of theological depth. Leland Ryken brings all of his poetic experience as a master teacher to bear on this critical subject. His poetic sensibilities have enabled him to make impeccable choices. I highly recommend this book as an aid to worship, an instruction in the value of poetry, and a vital voice in the contemporary conversation about worship music."

Hope: Living Confidently in God

31-Day Devotionals for Life

JOHN CROTTS

How do we persevere when times are hard? When platitudes and “positive thinking” fail us, God gives us lasting hope through his Word and character. This 31-day devotional brings hope to the hearts of troubled Christians by showing how God’s power, plans, promises, and personal concerns offer substantive hope for every kind of trial and failure. Use the practical exercises and thought questions to grow your hope every day.

John Crotts (MDiv, The Master’s Seminary; DMin, The Southern Baptist Theological Seminary) is senior pastor of Faith Bible Church in Sharpsburg, Georgia, and the author of several books.

Endorsements

“Through his decades of pastoral experience he understands the despair into which God’s people often fall. He faithfully applies God’s Word to the hurting soul, often drawing profound insights from passages which would not occur to most of us as remedies for hopelessness.”

—**Jim Newheiser**, *Director of Christian Counseling program and associate professor of practical theology at Reformed Theological Seminary in Charlotte*

“Throughout this great book, I encourage readers to take their own ‘daily dose’ of hope in God and His promises and spread it around.”

—**Stuart W. Scott**, *Professor of Biblical Counseling at The Master’s University, Graduate Program*

“John speaks to many who may be broken, hopeless and in despair. Whether for use in one’s personal devotions, a small group, or even as counseling tool, there is so much to commend this book. John has excelled in this devotional format, turning the angles of biblical hope like a diamond, bringing forth the true hope we have in Jesus and his hope-giving Word.”

—**Brian Borgman**, *Pastor of Grace Community Church, Minden, NV. Author of Feelings and Faith (Crossway) and An Exile’s Guide to Walking with God (Free Grace Press)*

“Hope begins with thinking right things about God. This line from the book summarizes the foundational truths about hope from God’s Word found in these pages. Hope is essential to a well-lived life and it is essential to biblical counseling. You cannot care for someone’s soul without offering them hope. Hope is a wonderful companion, a co-counselor, to take with you into any counseling situation.”

Forgiveness: Reflecting God's Mercy

31-Day Devotionals for Life

HAYLEY SATROM

This devotional on the topic of forgiveness will give the reader a vision for God's love in his or her own life—as an encouragement amidst the person's hurts, but even more so as the foundation upon which true forgiveness can be built. With a big vision of God—his love and mercy toward us in spite of our own sins—the reader will hopefully grow in: 1) a greater trust and delight in God, 2) humility in remembering his or her own unrighteousness, and 3) an outpouring of grace toward others as a natural implication of digesting God's good gospel message.

Hayley Satrom is the biblical counselor for women at Capitol Hill Baptist and co-director of the private counseling practice Heart Song Counseling. She has studied at CCEF, and her counseling degree is from the Southern Baptist Theological Seminary.

Is It Abuse? A Biblical Guide to Identifying Domestic Abuse and Helping Victims

DARBY A. STRICKLAND

God does not intend for marriage to be a place of oppression. Providing practical tools and exercises, biblical counselor Darby Strickland prepares potential helpers to pick up on cues that could point to abuse and investigate them wisely. You will learn how to identify a range of abusive behavior and better understand the impact of abuse on victims—particularly wives. Ultimately, you will become equipped to provide wise and Christ-centered counsel while navigating a difficult and complex situation.

Darby A. Strickland (MDiv, Westminster Theological Seminary) is a counselor who teaches others, at CCEF and at churches, how to counsel abusive marriages and care for the abused.

Endorsements

"In a day too often filled with rhetoric and finger-pointing Darby gives us a book filled with gracious, biblical, and practical counsel for how to effectively care for women in our churches who are suffering abuse. She offers biblical hope for the abused as well as practical help for the counselor as she shares insights, cautions, stories and specific questions that can help us love and lead these 'bruise reeds' to a place of new hope."

—**Brad Bigney**, *Lead Pastor at Grace Fellowship Church*

"*Is it Abuse* is a stunning work. It is brave without being incendiary. It is carefully and thoroughly biblical. It is relentlessly practical. Yet Strickland also steadfastly avoids the traps of oversimplifying either the problem or the solution. Speaking from a wealth of experience, this book is for oppressed spouses, the spouses who are harming them, and those trying to intervene redemptively in abusive marriages on behalf of Christ. If you ever read a book about abuse in couples, let it be this one."

—**Alasdair Groves**, *Executive Director*

"For the pastor, leader, or counselor, there are few issues like abuse which can seem more perplexing and confusing. That is why I am grateful for Darby Strickland's most helpful book, *Is It Abuse?* Darby strikes the difficult balance of being clear, compassionate, as well as comprehensive covering an impressive amount of content related to abuse. I have not come across another resource like it which is as thoroughly biblical, yet imminently practical. If you find yourself in a helping role of any kind, this book should be required reading. You will read it and weep for those who are and have been oppressed, but also rejoice in the comfort and encouragement of gospel hope."

—**Jonathan D. Holmes**, *Executive Director, Fieldstone Counseling; Pastor of Counseling, Parkside Church*

What about Evil? A Defense of God's Sovereign Glory

SCOTT CHRISTENSEN

Reconciling the existence of God and evil is a conundrum in Christian theology, and a philosophical approach—rather than a theological one—dominates. Turning to the Bible's grand storyline, Scott Christensen examines how sin, evil, corruption, and death fit into the broad outlines of redemptive history. He argues that God's ultimate end in creation is to magnify his glory to his image-bearers, most notably by defeating evil through the atoning work of Christ.

Scott Christensen (M.Div., The Master's Seminary) is the author of *What about Free Will?* He worked for nine years at the award-winning CCY Architects in Aspen, Colorado; several of his home designs were featured in *Architectural Digest* magazine. Called out of this work to the ministry, he graduated with honors from seminary and now serves as the associate pastor of Kerrville Bible Church in Kerrville, Texas.

Endorsements

"Occasionally one comes across a writer who manages to deal with big themes in exemplary ways—Such a writer, truly gifted, says something fresh and thought-provoking about the far horizons, yet without losing sight of the details—and without demeaning those who uphold other, more traditional, positions. But above all, if that writer is dealing with biblical and theological themes, the treatment of Scripture is fresh and compelling.

"Such a writer is Scott Christensen, and his "big theme" is the sovereignty of God. . . . Integrally related to the theme of divine sovereignty is the theme of theodicy: if God is both utterly sovereign and immaculately good, how can he ordain (permit?) evil in this world? Or, alternatively, granted that there is so much evil and suffering, perhaps he is not good; or, if he is good, perhaps he is not sovereign—he's doing the best he can, poor chap. This is the set of conundrums that Christensen sets out to address in this book, *What about Evil? A Defense of God's Sovereign Glory*.

"[What] Christensen argues throughout his book is that questions surrounding evil and its place in God's universe under God's sovereignty cannot be reflected upon faithfully until they are nestled within the storyline of the Bible itself. Christensen is not so much developing a new theodicy, as allowing the themes of the Bible's metanarrative to unfold in their own terms.

"To feel the weight of Christensen's argument demands a careful reading of the whole book, surely not so much a chore as a glimpse of glory."

From the foreword by D. A. Carson, Emeritus
 Professor of New Testament, Trinity Evangelical Divinity School

Work That Makes a Difference

DANIEL M. DORIANI

The work you do is one of the main ways you serve God and show love to your neighbor—and as you devote your time to it, it reflects, shapes, and defines who you are. When we work faithfully in ways that please God, we act as his hands in the world, providing for one another and pushing back against the effects of the fall.

Writing to men and women who labor in any field, Dan Doriani gives a brief and thoughtful overview of the Bible's teaching on the nature, challenges, and opportunities of work. What does it mean to be faithful at work? How do we know if we are called to a certain kind of work? When should we seek different employment? What makes our work *good* work? In a format suitable for individuals or small groups, he answers these questions and more, shining encouraging new light on the familiar and providing insights for self-evaluation.

Daniel M. Doriani (MDiv, PhD, Westminster Theological Seminary; STM, Yale Divinity School; Research Fellow, Yale University) is professor of theology and vice president at Covenant Theological Seminary. He is the founder and president of The Center for Faith and Work, St. Louis; a member of the Council of The Gospel Coalition; and a regular blogger. He was also a lead pastor for fifteen years.

The Attributes and Work of God

RICHARD L. PRATT JR.

For decades, Third Millennium Ministries has been working to make a high-quality, orthodox theological education possible for anyone. Its Master's-level course materials are written in accessible language, vetted by Evangelical scholars, and used by seminaries, Bible colleges, churches, and mission organizations around the world. Now this established curricula is available in book form—an ideal resource for any student of theology, formal or informal.

“Knowing God” means different things to different people—everything from experiencing personal intimacy with God, to witnessing his mighty works, to understanding facts about him that the Holy Spirit has revealed. What theologians often call “theology proper” is complex but vastly rewarding, growing us in our knowledge and understanding of God. *The Attributes and Works of God* considers God’s attributes, eternal plan, and works in history, with a special focus on his decrees, creation, and providence. Readers will learn the fundamentals necessary to understand themselves and their world.

Richard L. Pratt Jr. (MDiv, Union Theological Seminary; ThD, Harvard University) is president of Third Millennium Ministries. He is adjunct professor of Old Testament at Reformed Theological Seminary and is the author of *Pray with Your Eyes Open*, *He Gave Us Stories*, and *Every Thought Captive*.

Money, Debt, and Finances: Critical Questions and Answers

JIM NEWHEISER

****Not Edited**** Many books, programs, and financial gurus will tell you what to do with your money, but God's Word is the ultimate source of financial wisdom. First and foremost, it gives us our goal as Christians—not to be debt-free or to get rich but to glorify God in all things. All other financial principles in Scripture flow out of this high calling.

In an accessible Q&A format, biblical counselor and former financial consultant Jim Newheiser presents financial wisdom that is grounded in faithful biblical exegesis and rooted in sound theology. What are common misunderstandings about money? How can you create and balance a budget? How can you get out of debt? What insurance do you need? He answers these questions and more, providing a go-to resource for laypeople and those who counsel them.

Jim Newheiser (MA, DMin, Westminster Theological Seminary) is director of the Christian Counseling program and associate professor of practical theology at Reformed Theological Seminary in Charlotte. He is a fellow of the Association of Certified Biblical Counselors (ACBC) and a board member of the Fellowship of Independent Reformed Evangelicals.

A Study of Moses for a Life That Matters

Jodie Niznik

REAL PEOPLE, REAL FAITH

Leads women through the life of Moses to discover their own extraordinary purpose

The life of Moses was an exceptional one. God pursued Moses, calling him to step forward into leadership and miraculous events. Instead of saying no to that invitation, Moses trusted that God's plan, however improbable it seemed, was the best way to live. Equipped with that faith, Moses led God's people out of slavery to the land of promise, changing their entire world.

The truth is we're not that different. Every day we're called to follow God's lead to do things only we can do. And like Moses, we must each choose if we will take the path God guides us to or follow our own way. Through this ten-week inductive Bible study, Jodie Niznik invites you on an experiential journey along with Moses to learn just what that choice can mean.

Each week starts with a spiritual discipline to move women from head knowledge to heart understanding. Then through thoughtful questions, personal reflection, and practical application, Jodie explores the text to uncover the lessons Moses's life teaches to every modern woman.

Designed for either individual or group study, this first book in the Real People, Real Faith series combines inductive learning with practical spiritual disciplines, taking a new look at ancient stories to discover their many connections to life today.

Jodie Niznik is pastor to women at Irving Bible Church in Flower Mound, Texas. She has served in various roles in ministry to women and is the coauthor with Sue Edwards of *Galatians: Discovering Freedom in Christ Through Daily Practice*.

When Anxiety Strikes

Help and Hope for Managing Your Storm

Jason Hobbs and Dena Hobbs

Manage or prevent anxiety using faith-based methods

Fear not. “Do not be afraid.” “Peace be with you.” Phrases like these appear in the Bible more often than almost any other proclamation. We long to follow these commands. Yet for many, something inside us is wary, ready for anything and everything to go wrong. In fact, a quarter of Americans struggle with anxiety disorders—and Christians are not immune.

Jason and Dena Hobbs are familiar with this struggle, professionally and personally—Jason as a clinician, Dena as someone with anxiety, and both as pastors of congregations full of anxious people. They also know the shame and confusion that so often accompany these disorders, especially for people who think their faith should be strong enough to overcome these struggles. With their deep understanding, they’ve written *When Anxiety Strikes*, an eight-week guide to managing anxiety, grounded in both Scripture and research.

Structured for daily reading, with integrated practices for everyday life, the book addresses seven themes: breath, body, movement, mind, change, spirit, and community. Concise stories, readings, questions, and activities guide readers to tackle the realities of living with anxiety. *When Anxiety Strikes* offers real solutions to find shelter when the storm of fear looms.

Jason B. Hobbs (MDiv, LCSW) has been in private mental health practice for fifteen years, assisting people through their journey with anxiety every day. Jason teaches widely on mindfulness, anxiety, and the intersection of religion and mental health, and recently trained as a spiritual director at the Shalem Institute. Jason has also written *Unless a Grain of Wheat Falls*.

Crossroads

A Study of Esther and Jonah for Boldly Responding to Your Call

Jodie Niznik

A REAL PEOPLE, REAL FAITH BIBLE STUDY

Discover how to live out your unique calling from an unlikely biblical pairing

At first glance, Esther and Jonah don't have much in common. Esther is an orphan girl, out of place in royal courts, who nonetheless becomes queen and saves her beloved Jewish people. Jonah is a reluctant prophet who ran as hard as he could from God. And when he finally gave in and his efforts eventually saved his enemies, he did nothing but complain.

While Esther and Jonah endured wildly different circumstances and had distinctly singular callings, they were both appointed by God. They were placed in a certain time and space in history. God carried them through unique experiences and gave them specific gifts. Despite their opposite attitudes of willingness, their lives are proof of the great things we can accomplish when we follow God's call.

In this nine-week inductive Bible study, Jodie Niznik invites you to learn that you too are uniquely equipped and called by God for a particular assignment in a specific time and place. Now you stand at a crossroads, and the choice is yours. Will you choose to boldly respond like Esther or will you fight your calling like Jonah? With thoughtful questions and practical exercises, Niznik will gently help you examine your life through the lens of Scripture and take brave, bold steps forward into the life you long for!

Jodie Niznik is pastor to women at Irving Bible Church in Flower Mound, Texas. She holds a master's degree in Christian education with an emphasis in women's ministry from Dallas Theological Seminary and has served in various roles in ministry to women. Jodie is the author of *Choose: A Study of Moses for a Life That Matters*, and coauthor with Sue Edwards of *Galatians: Discovering Freedom in Christ Through Daily Practice*.

Intimacy With God

A Practical Guide in Our Struggles

John D. Hannah

- Living in a way that increasingly reflects God
- Divine help in our walk
- Helpful hints for striving to live in a godly way

A Christian believes that God's Holy Spirit indwells them, and that through Christ they have a relationship with God. But for many of us the experience of that relationship varies in intensity, our devotion seemingly affected by the external factors that make up our life. In this book John D. Hannah examines the nature of the spiritual life, and argues that while our Christian walk is bound to traverse peaks and valleys, there is a lifestyle we can put into practise that allows us to focus on the faithfulness of God's promises. This does not entail relying on one's own strength but emphasises God's Word, prayer and the church family as blessings through which to cultivate intimacy with God.

John D. Hannah

John D. Hannah has been a professor at Dallas Theological Seminary for forty years, specialising in theology and history. He is also an author, and frequently speaks at churches and conferences.

What a blessing to have been a student of John Hannah! Sitting in his classroom was like trekking through mountain ranges, the majesty of the living God on display all around, glorious vistas opening up in the words of his lectures. Through All The Changing Scenes

A Lifelong Experience of God's Unfailing Care
David Ellis

- Evidence of God's care in the life of one man
- Scriptural reflections
- Foreword by Sinclair Ferguson

Following God's call to cross cultural mission, Ellis' experience from political upheaval, physical hardship, and burn out, to caring for his wife, Adèle, through her Alzheimer's, he would have been unable to hold fast without a robust biblical understanding of God's providence and sovereignty. With feeling and honesty Ellis weaves anecdote with biblical meditation, allowing scripture to form the lens through which the world, in all its frightening chaos, is viewed. A personal, pastoral, faith building read, it offers scriptural reflection not trite answers – robust wisdom for guidance, encouragement and challenge for Christians of all ages and stages.

An engineer, former minister of the Church of Scotland and Director of OMF International UK, David Ellis and his wife Adèle travelled widely together for more than fifty years of service. What is so important about being in Christ? Is it possible that when Paul talks about *inChristness*, he is handing us a set of keys that will open up his letters and reveal what is most essential to living the Christian life? In these 100 devotionals, we discover why *inChristness* is so important and how to live an in–Christ life.

Redeeming Warriors

Veteran Suicide, Grieving, and the Fight for Faith

Joshua D. Holler

- Written by veteran and pastor
- Tells stories of veterans who have committed suicide
- Redemption through relationship with God

Twenty-two veterans take their own lives every day. The word 'tragic' only begins to describe the brokenness of this painful reality. Josh Holler, Marine Corps veteran and pastor, argues that veteran suicide is not primarily a problem born out of exposure to combat and PTSD, but out of a broken relationship between people and God. He tells some of the stories of men he has known and addresses the reality of the reason veteran suicide is such a problem.

Joshua is a Marine Corps veteran and deployed to Iraq twice between 2007–2009 with 1st Battalion 7th Marine Regiment. He is a pastor at First Baptist Church of Duncan in Duncan, Oklahoma, where he lives with his wife and children.

- Each chapter has ways to practise abiding
- Encourages readers to engage with the Bible

Emily Darnell encourages readers to truly abide in God and His Word, not just to read a couple of verses, but to take time to meditate on it and be nourished. Each chapter will unfold an aspect of abiding, ending with some practices to incorporate in personal worship, or Scriptures to meditate upon to grow deeper in grace, and in knowledge and love of the One who loved you first.

What Comes Next?

Shaping the Future in an Ever-Changing World - A Guide for Christian Leaders

NICHOLAS SKYTLAND, ALICIA LLEWELLYN, FOREWORD BY WILL MANCINI

Our mission as Christians was the same yesterday as it is today and will be tomorrow. The world, however, is changing faster than ever before, and keeping up feels impossible. The realities of human life—from how we develop relationships to how we use technology to have impact—therefore change rapidly too. It's critical that Christian leaders take this into consideration as they plan for their organizations' future.

In *What Comes Next?*, strategists and innovation experts Nick Skytland and Ali Llewellyn use the eight elements of their Futures Framework to teach us how to help shape the future, be visionary, and grow our businesses and ministries. This futures-thinking process is a proven solution for executives, entrepreneurs, pastors, and anyone in between who struggles to respond to an ever-changing world.

What if, instead of keeping up with change, you could get ahead of it?

PRIMARY AUDIENCE

Christian leaders in various contexts (churches, mission organizations, nonprofits, parachurch ministries, and business) who feel both anxiety and excitement over the possibilities of the future

NOTABLE FEATURES

- Provides a framework for ministry leaders to process future thinking and where to focus their attention
- Identifies key forces that drive change and how their various intersections create opportunities for leadership

What Great Ministry Leaders Get Right

Six Core Competencies You Need to Succeed in Your Calling

JIMMY DODD, AND RENAUT VAN DER REIT

Though church leaders take courses in preaching and Christian education, when do they learn about personal limitations and the benefits of intimate friendships? Or what about conflict resolution? Knowledge gaps like these are often the primary factors that lead to frustration and burnout.

In *What Great Ministry Leaders Get Right*, Jimmy Dodd of PastorServe and Renaut van der Riet of Mosaic Church Winter Garden FL outline the six core competencies church leaders need to develop healthy, biblical, and sustainable leadership. Jimmy and Renaut address the critical lessons often missing from ministry training that all leaders need to successfully serve their congregations. Whether you've been in the pulpit for years or are just beginning your ministry education, every pastor can make sure they're prepared for the real-world challenges of ministry.

Ministry throws unexpected challenges at you. What if a little more training could help you navigate them successfully?

Forerunners of the Faith

13 Lessons to Celebrate Our Christian Heritage

NATHAN BUSENITZ

The Christian faith extends beyond our personal experiences, our individual churches, and far beyond our present age. This, for the Christian, is great news. When we become acquainted with the legacy of our Christian heritage, we connect our stories to those of the faithful believers who have come before us.

This connection is precisely what Nathan Busenitz, Dean of Faculty and professor of church history at The Master's Seminary, seeks to provide. Based on the bestselling *Fundamentals of the Faith*, *Forerunners of the Faith* outlines the biblical orthodoxy that characterizes the true church. Busenitz succinctly identifies thirteen key lessons that capture the trials and triumphs of the historical Church, providing insights for how the ancient Christians responded to the problems of their day to become the pillars of faith we now consider them to be. Learn how your faith stands on the shoulders of giants like Athanasius, Augustine, and Wycliffe. More than a didactic resource, *Forerunners of the Faith* serves as spiritual encouragement as we remember the legacy of God's faithfulness to his people

Creative Bible Teaching

LAWRENCE O. RICHARDS, AND GARY J. BREFDELDT

Communicating the Scriptures is much like building a bridge. However, instead of ravines or rivers, the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses, David, Jesus, and Paul. Though God’s Word is always relevant, it is the teacher who has the task of helping the student see Scripture’s vast treasures.

The effective, engaging Bible teacher must, therefore, become creative. *Creative Bible Teaching* offers a five-step process by which Christian educators can construct a bridge across time, geography, and culture to help students of all ages connect with God’s Word. This newly revised edition makes learning about God’s Word more accessible for both teachers and students today.

Seen. Known. Loved.

5 Truths About Your Love Language and God

GARY CHAPMAN, AND R. YORK MOORE

In a world of varying beliefs and endless opportunities, determining how to spend our lives can seem impossible. And even more difficult than finding direction can be finding meaning. Perhaps we know what we're most interested in, but how do we know if it has purpose?

These longings are rooted in our desire to feel God's presence in our lives, which begins when we know how He communicates with us. *Seen. Known. Loved.* examines how God—the Creator of the universe—intimately communicates with each of His people. Relationships expert Gary Chapman and coauthor R. York Moore offer practical insights for how to know your own love language and how God uses it to communicate with you. When we come to understand our own unique love language, we discover how God both speaks and listens. And, therefore, how He is intimately involved in our lives in ways we have never before identified. The first step to living with meaning is living in union with our God—the source of meaning.

Virtual Reality Church

Pitfalls and Possibilities (Or How to Think Biblically about Church in Your Pajamas, VR Baptisms, Jesus Avatars, and Whatever Else is Coming Next)

DARRELL L. BOCK, AND JONATHAN J. ARMSTRONG

The invention of the printing press catalyzed Martin Luther's reformation; radios and televisions delivered Billy Graham's Gospel proclamations to millions of households. Technological advancements have undoubtedly advanced Kingdom work for centuries—but is the same true for the burgeoning technologies of today?

As virtual reality becomes increasingly prominent throughout society, churches must assess how to respond thoughtfully and biblically. In *Virtual Reality Church*, theologians Darrell Bock and Jonathan Armstrong present a systematic reflection on how to faithfully apply virtual reality for ministry purposes. They examine the risks—like compromising the meaning of tangible worship—and opportunities—like safely reaching persecuted churches—of integrating revolutionary technologies into the Christian life. Learn to think critically, theologically, and pastorally about new technologies so that you can faithfully advance the Gospel into the future.

Is Virtual Reality a Biblical Reality

Master Discipleship Today

Jesus's Prayer and Plan for Every Believer

Don Hawkins

A modern discipleship strategy based on Jesus's plan for his disciples

Longtime pastor and radio host Don Hawkins explains how the twenty-first-century tool of Christian Life Coaching can facilitate Jesus's first-century mandate to make disciples. Based on Jesus's prayer in John 17, this book explores and applies the six steps the Lord carried out to guide his followers.

The pattern laid down by Christ is a practical, workable one. This is not simply another list of vital topics for the growing Christian. Rather, it is a divinely inspired, Christ-centered outline actually modeled by Jesus.

Master Discipleship Today is a hands-on how-to tool for pastors, group leaders, and individual Christians who want to further their own growth in the faith and lead others to a deeper level of discipleship.

This is a revised and expanded edition of the book formerly titled *Master Discipleship*, updated to include the Christian Life Coaching model of discipleship.

Don Hawkins, producer and host of the *Encouragement Today* radio broadcast, is also the former cohost of *Back to the Bible* and *Life Perspectives*, and the former president of Southeastern Bible College. Don has authored and coauthored a number of best-selling books, including *Never Give Up* and *The Roots of Inner Peace*.

Invitation to Biblical Interpretation

Exploring the Hermeneutical Triad of History, Literature, and Theology

SECOND EDITION

Andreas J. Köstenberger with Richard D. Patterson

INVITATION TO THEOLOGICAL STUDIES

An authoritative guide to accurately interpreting and applying God's Word

In this second edition of *Invitation to Biblical Interpretation*, Andreas Köstenberger leads the reader step-by-step through the process of interpreting and applying God's Word.

The primary principle is the hermeneutical triad, which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study.

Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible.

The second edition updates these resources, as well as the sources cited throughout, and includes a new chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

Andreas J. Köstenberger is research professor of New Testament and biblical theology and director of the Center for Biblical Studies at Midwestern Baptist Theological Seminary.

Richard D. Patterson is distinguished professor emeritus at Liberty University.

40 Questions About Biblical Theology

Jason S. DeRouchie, Oren R. Martin, and Andrew David Naselli

40 QUESTIONS SERIES

An accessible survey of the meaning, methodologies, themes, and applications of biblical theology

To understand what the entire Bible teaches about any given subject, we must practice biblical theology. By surveying the whole canon of Scripture, we can best discern what God has revealed about any particular issue. But doing so requires answering a number of important questions:

- What type of biblical theology will we choose?
- What overall story does the Bible tell?
- How should we understand the relationship between the Old and New Testaments?
- How does our topic fit within salvation history?
- How do we apply the truths we discover?

40 Questions About Biblical Theology provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology. Other vital topics the authors address include key themes in biblical theology, and how Christians should relate to Old Testament promises.

Ideal for courses on biblical theology, for pastors, and for anyone who teaches or interprets Scripture, *40 Questions About Biblical Theology* will deepen your understanding and application of the whole counsel of God.

Jason S. DeRouchie is research professor of Old Testament and biblical theology at Midwestern Baptist Theological Seminary in Kansas City, Missouri. **Oren R. Martin** is assistant professor of Christian theology at Boyce College in Louisville, Kentucky. **Andrew David Naselli** is associate professor of systematic theology and New Testament at Bethlehem Seminary in Minneapolis, Minnesota.

40 Questions About Typology and Allegory

Mitchell L. Chase

40 QUESTIONS SERIES

A survey of two literary devices that are indispensable for understanding salvation history

A biblical type is a person, place, or thing in salvation history that corresponds to a later person, place, or thing in the scriptural text. An allegory is a passage that says one thing in order to say something else. Both are common literary devices in the Bible that are vital for understanding truths about Jesus Christ found nowhere else.

In *40 Questions About Typology and Allegory*, Mitchell Chase provides a thorough introduction to both devices, showing where they appear throughout Scripture and the historical roles they have played in biblical interpretation. In a convenient question-and-answer format, Chase answers key questions such as:

- Why should Bible readers care about typology and allegory?
- How do we identify types?
- What are the theological assumptions of typology?
- Do all types lead to Christ?
- What is allegorical interpretation?
- How was allegory practiced in the early church?
- How should we practice allegorical interpretation?

Situating typology and allegory within salvation history, Chase shows how these devices reveal the interconnectedness of Scripture and commonly overlooked aspects of Christ's person and work. Scholars, Bible teachers, and preachers will find this an essential resource for interpreting Scripture more comprehensively.

Mitchell L. Chase is the senior pastor of Kosmosdale Baptist Church in Louisville, Kentucky, and an adjunct professor at Boyce College in Louisville.

A Commentary for Biblical Preaching and Teaching

Herbert W. Bateman IV and Steven W. Smith

KERUX COMMENTARIES

Kerux Commentaries enable pastors and teachers to understand and effectively present the main message in a biblical text

Each volume uniquely combines the insights of an experienced Bible exegete (trained in interpretation) and a homiletician (trained in preaching). These two authors work together to explain the essential message for the original listeners or readers, unpack its timeless truth, and then provide a contemporary restatement and communication insights for the key biblical concept. Every book is a resource designed and written with the real needs of the pastor and teacher always in sight, providing many ways to creatively express the principal thought in a biblical passage.

Based on the Big Idea preaching model, Kerux enhances the reader's ability to deliver a message that is biblical, cohesive, and dynamic.

Herbert W. Bateman IV (PhD, Dallas Theological Seminary) has taught New Testament exegesis for twenty years and is currently president of the Cyber-Center for Biblical Studies. His other publications include *John's Letters* (Big Greek Idea), *Jude* (Evangelical Exegetical Commentary), and *Interpreting the General Letters*.

Steven W. Smith (PhD, Regent University) is a fourth-generation pastor and presently serves as the senior pastor at Immanuel Baptist Church in Little Rock, Arkansas. Smith has taught homiletics for fifteen years. His other publications include *Preaching for the Rest of Us: Essentials for Text-Driven Preaching* and *Dying to Preach: Embracing the Cross in the Pulpit*.

Talking About Ethics

A Conversational Approach to Moral Dilemmas

Michael S. Jones, Mark J. Farnham, and David L. Saxon

An accessible introduction to ethics through engaging dialogues

Talking About Ethics provides the reader with all the tools necessary to develop a coherent approach to ethical decision-making. Drawing on ethical theory, the authors show how these theories play out in relation to a wide variety of moral questions using a dialogue format. The chapters follow three college students as they discuss today's most important issues, including:

- Immigration
- Capital punishment
- Narcotics legalization
- Abortion
- Premarital sex
- Gender identity

The engaging dialogues in each chapter illustrate how these topics often take shape in the real world and model critical thinking and Christian decision-making. Study aids in each chapter include overviews, sidebars, reflection questions, glossaries, and recommended reading. Ideal as a textbook for undergraduate ethics courses, this volume is also accessible enough for high school classes and personal study.

Michael S. Jones (PhD, Temple University) is professor of philosophy and theology at Liberty University and president of the Virginia Philosophical Association. He is also executive editor of the *Journal for the Study of Religions and Ideologies*.

Mark J. Farnham (PhD, Westminster Theological Seminary) is professor of apologetics at Lancaster Bible College and Capital Seminary and founder and director of Apologetics for the Church.

The Parables

Jesus's Friendly Subversive Speech

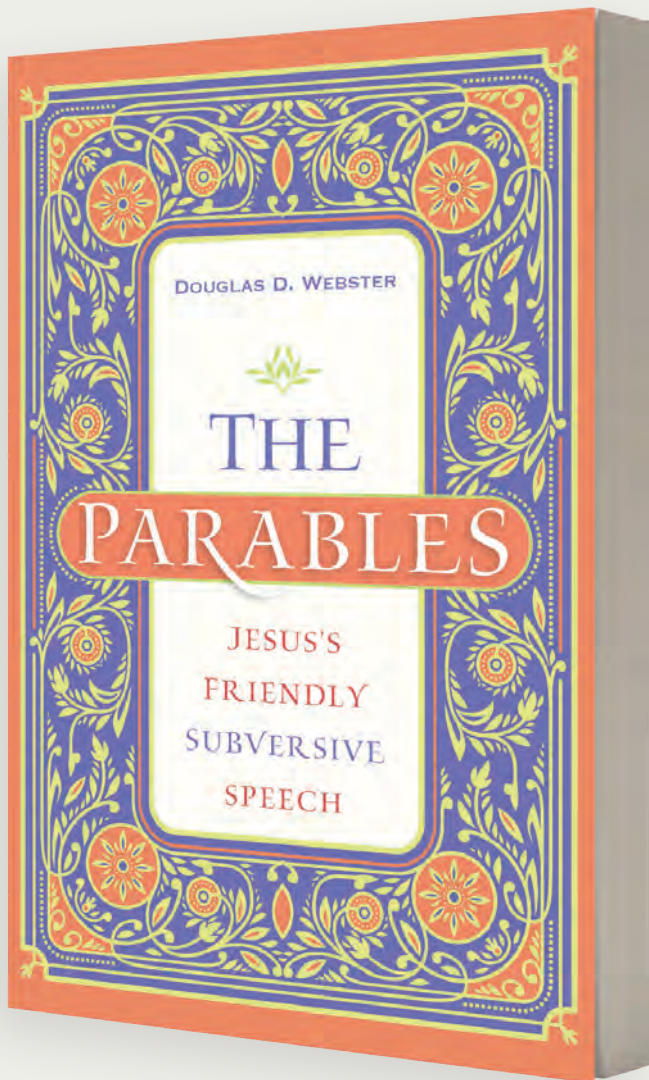

Douglas D. Webster

A comprehensive study of Jesus's parables that emphasizes personal reflection and application

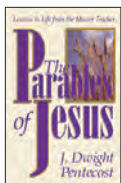

Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo. Prayerfulness was pictured as a persistent widow. The joy of salvation in the homecoming of a lost son. Love of neighbor through a marginalized Samaritan. If we're not careful, we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance.

Drawing on thorough scholarship as well as theological, pastoral, and practical insights, Douglas Webster leads the reader through each of Jesus's parables, pointing out the important nuances that allow us to understand them and be transformed by them. Reflection questions at the end of each chapter can be used for personal or group study, and an appendix for pastors provides guidance for preaching the parables. Pastors, Bible teachers, and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a rich resource for both the mind and the soul.

Douglas D. Webster (PhD, University of St. Michael's College) is professor of pastoral theology and preaching at Beeson Divinity School, Samford University. He served as pastor of First Presbyterian Church of San Diego for fourteen years as well as at churches in New York City, Denver, and Toronto. His other books include *Follow the Lamb: A Pastoral Approach to the Revelation* and *Preaching Hebrews: The End of Religion and Faithfulness to the End*.

The Case for Biblical Archaeology: Uncovering the Historical Record of God's Old Testament People

JOHN D. CURRID

For many today, history holds little application to modern existence, and so many are biblically and historically uninformed. Archaeology—the systematic study of the material remains of human behavior in the past—provides a helpful corrective on these two fronts.

The Bible can be understood without the use of outside sources and does not need to be proved. Yet archaeologist and professor John Currid shows how his field of study plays its part in restoring our understanding of ancient life and events. He gives background on the geography of the land of the Bible and a history of its excavation; describes archaeological sites throughout the land; and introduces discoveries connected to agriculture, architecture, ceramics, burial practices, and more. This introduction can be used by students as well as anyone interested in deepening their knowledge of the land of the Bible and the insights archaeology gives us on Scripture.

John D. Currid (PhD, University of Chicago) is Chancellor's Professor of Old Testament at Reformed Theological Seminary. He has held several expedition staff positions, including ones at Bethsaida, Carthage, and Tell el-Hesi. He also served as the director of the Tell Halif (Lahav) Grain Storage Project. Currid has authored numerous books, such as *The ESV Bible Atlas* (with cartographer David Barrett, 2010) and *Against the Gods* (2013), both published by Crossway. He also served as senior editor for the *ESV Archaeology Study Bible* (2018) and contributed the notes to the Pentateuch in that volume.

Endorsements

"In its breadth, its readability, and its organization, *The Case for Archaeology* provides a valuable resource to pastors, teachers, and students who would like to learn about the real world of biblical archaeology and the myriad ways that it has cast light on our understanding of the world of the Bible in the Old Testament period."

—**David L. Adams**, *Associate Professor of Exegetical Theology (Old Testament), Concordia Seminary, St. Louis*

"This book is a must for all serious Bible students, whether they plan to excavate in Israel or to work from their 'armchairs.' Dr. Currid is to be applauded for creating such a manual. It is hard to imagine anyone with more experience and knowledge of biblical archaeology."

—**Mark W. Chavalas**, *Professor of History, University of Wisconsin—La Crosse*

"In this book John Currid provides the reader with a wonderful introduction to important geographical, historical, and cultural aspects of the Bible. Readers will benefit from the archaeological and textual knowledge found here."

—**Richard S. Hess**, *Distinguished Professor of Old Testament and Editor, Denver Journal, Denver Theological Seminary*

Pastors and Their Critics: A Guide to Coping with Criticism in the Ministry

JOEL R. BEEKE

All pastors and church leaders experience criticism—but that doesn't make criticism easier to process or to address well. With wisdom, charity, and illustrations from decades in the ministry, pastors Joel Beeke and Nicholas Thompson strengthen and equip the reader as they provide a biblical foundation, a Christ-focused theological vision, and practical principles for coping with, and benefitting from, criticism.

Joel R. Beeke is president of Puritan Reformed Theological Seminary, where he also serves as professor of systematic theology and homiletics. He is a pastor of the Heritage Netherlands Reformed Congregations in Grand Rapids, Michigan.

Endorsements

"Make no mistake, this is one of the most important books [Beeke] has written. Indeed, I suspect it may help as many people as his major treatises—not only the ministers, for whom he has written it; but all of us, whether pastors or people."

—**from the foreword by Sinclair Ferguson**

"As a young pastor, I received a letter of constructive but rather direct criticism about my preaching . . . To say that I was stung is to put it mildly. It hurt so badly . . . fifteen years into my ministry, I realized that every word he said was right and helpful . . . This book would have been a help to me then, and will be to you now. . . I'm thankful for the hard thinking that has gone into these subjects in this book. I think it will help you as you try to develop "tough skin and a tender heart."

—**Ligon Duncan**

"I listened to Joel Beeke preaching on 'Faithfulness in Dealing with Criticism' at the 2019 Shepherds Conference and I said to myself, 'Wow, what a blessing! How I wish that sermon could be turned into a book. . . Well, that sermon—and much more—is what you have in this book. Criticism makes and breaks pastors more often than we would like to admit. Often what makes the difference is not the type of criticism itself—whether it is right or wrong—but how a pastor responds to it. . . Throw it into your bag when you go on holiday and make it part of your essential reading. You will return to your pastoral ministry a renewed man!"

Cheer Up! The Life and Ministry of Jack Miller

MICHAEL GRAHAM

Drawing on extensive interviews with Jack's friends, family, and acquaintances, as well as archival material, biographer Michael Graham gives us a full picture of Jack Miller—from his difficult childhood, early atheism, and conversion to his later teaching and ministries—showing how he pressed through grave challenges to bring the joy of God's omnipotent grace to some of the most influential leaders in the church today.

Michael Graham (MDiv, Covenant Theological Seminary; PhD, Southeastern Baptist Theological Seminary) is pastor at Hickory Grove Church in Mt. Juliet, Tennessee, and director of The Jack Miller Project.

Endorsements

"There would never have been a Redeemer Church in New York City without the impact of Jack and Rose Marie Miller on our lives and hearts."

—**Timothy Keller**, *Chairman and Cofounder, Redeemer City to City; founding pastor, Redeemer Presbyterian Church, New York City*

"Spurgeon called tears wept in intercession, 'liquid prayers.' As I read *Cheer Up!* I believe I prayed quite a few 'liquid prayers.' Michael, you have portrayed the incisive mind, the expansive insight, the ferocious faith, the relentless repentance, the adoring delight in Jesus, the consuming love for Scripture and the tireless gospel proclamation that marked Jack Miller with compelling literary force. I wept in repentance as I watched over Jack's shoulder once again. . . . I am so thankful to have read this book. Reading it hurt like heaven! Which to my foolish perception, could seem worse than hell. Because, heaven wants me to change and hell hopes I never do. The earnest Christ-centered mirth of the New Heaven and the New Earth marked the man C. John Miller. It marks this book as well. Thank you. Thank you. Thank you!"

—**Joe Novenson**, *Pastor, Lookout Mountain Presbyterian Church, Chattanooga, TN*

"After four decades, Jack still troubles and terrifies me as he invites me to live with the wild, bold love of Jesus. Michael Graham brilliantly unfolds the beauty and brokenness of Jack's life with tenderness and scholarly care. I know Jack far better, but far more, I know the Jesus Jack followed with even greater joy. If you didn't know Jack Miller, you are about to meet one of the most amazing persons of the twentieth century."

The Mystery of the Trinity: A Trinitarian Approach to the Attributes of God

VERN S. POYTHRESS

Starting with the doctrine of the Trinity, Vern Poythress addresses six significant challenges concerning God's attributes, helping us to appreciate more deeply the mystery that lies in each of them.

Vern S. Poythress (MLitt, University of Cambridge; PhD, Harvard University; DTh, University of Stellenbosch, South Africa) is distinguished professor of New Testament and biblical interpretation at Westminster Theological Seminary in Philadelphia. He is also the author of *Understanding Dispensationalists; Science and Hermeneutics; Implications of Scientific Method for Biblical Interpretation; Symphonic Theology; The Validity of Multiple Perspectives in Theology; and The Shadow of Christ in the Law of Moses*.

Endorsements

"Poythress is calling for a revolutionary change in how we engage in theological reflection. While broadly endorsing the classical doctrine of God, he is suspicious of our reliance on well-defined technical terms that are required to do our work for us. He wants us to abandon our implicit reliance on Aristotelian metaphysics in favor of the shaping power of the mystery of the Trinity. Above all, he wants us to turn aside from our unquestioning reliance on 'tight, abstract logic' as our primary resource for 'affirming and maintaining' the orthodox doctrine of God. In the hands of a lesser thinker, this appeal could pave the way toward subjectivism and uncontrolled, speculative dialectics; in the hands of Poythress, this becomes an appeal to become more robustly biblical, not less. Readers may preserve their quibbles here and there, but this book is truly transforming—a capstone to all that Vern Poythress has taught us over the last two or three decades. Read it slowly and carefully."

—**D. A. Carson**, *Emeritus Professor of New Testament, Trinity Evangelical Divinity School*

"I find *The Mystery of the Trinity* quite outstanding. The work is premised on (and argues throughout) the idea that the Holy Trinity is the ontological center and absolute to which all revelation testifies. What God does in creation reflects what Father, Son, and Spirit are in eternity. Poythress charts a course between two fatal whirlpools in Christian theology—the first that of philosophically defined transcendence, the second that of overly literalistic immanence. The author's particular concern is that classical Christian theism has too often pushed beyond biblical testimony to reinterpret the divine attributes in Aristotelian or other alien categories. Rather, Poythress humbly and incisively invites us to reappraise the mystery of the triune God and how this mystery infuses every aspect of Christian thought and life. What an engaging, supremely edifying read."

Gilles Deleuze

Great Thinkers series

CHRISTOPHER WATKIN

Why should a Christian study the thought of Gilles Deleuze? The French philosopher gives us a sophisticated account of what happens to truth and ethics in a system that does not rely on God as traditionally understood. Moreover, his thought profoundly influences and makes visible how our society understands everything from knowledge and truth to sexuality and identity.

Christopher Watkin, a scholar of French literature and philosophy, lucidly and succinctly presents Deleuze's work in a way that is accessible to non-philosophers and brings his writing into sustained conversation with prominent biblical themes and motifs from Reformed theology. His biblical theological approach seeks to bring the overall structure of Deleuze's thought into conversation with the overarching narrative of the Bible. As you engage with Deleuze's thought, you will discover a model of cultural engagement that you can use to understand any contemporary or historical thinker or school.

Christopher Watkin (MPhil, PhD, Jesus College, Cambridge) researches and writes on modern and contemporary French thought, atheism, and religion. Currently, he is a senior lecturer in French studies at Monash University in Melbourne, Australia. He blogs at christopherwatkin.com, and you can find him on Twitter @DrChrisWatkin.

Immanuel Kant

Great Thinkers series

SHAO KAI TSENG

Immanuel Kant's stature in the history of Western philosophy is commensurate to Plato and Aristotle, almost unparalleled in modern times. His sophisticated, complex works were a watershed that drove the course of early modern and modern philosophy. In stressing that we do not possess the cognitive power to attain quasi-divine knowledge, he created a system that inevitably gave rise to the secularization of modern society.

Kant has often been considered a modern archenemy of Christianity—and many Christians have accepted outdated misinterpretations of his work without going back to the sources or consulting recent academic literature. Writing firmly in the Reformed tradition, philosophy professor Shao Kai Tseng presents a reinterpretation and critical appreciation of Kant's thought. He shows his significance in art, science, and modern conceptions of human dignity, gives an overview of his philosophy, and closes with a critique from an orthodox Reformed perspective.

Shao Kai ("Alex") Tseng (MDiv, Regent College; ThM, Princeton Theological Seminary; MSt, DPhil, University of Oxford) is research professor in the philosophy department at Zhejiang University in Hangzhou, China. He is the author of *Karl Barth's Infralapsarian Theology* and *Barth's Ontology of Sin and Grace* as well as a critique of G. W. F. Hegel in this series, and a contributor to the *Oxford Handbook of Nineteenth-Century Christian Thought*.

Therefore the Truth I Speak

Scottish Theology 1500 – 1700

Donald Macleod

- Historical theological study
- Foundation of reformed theology
- By one of Scotland's leading theologians

The Scottish church was forever altered by the arrival of the Reformation in the sixteenth century. Its legacy endured, and provoked a flurry of theological re-examinations which form the foundation for much of our modern understanding of Reformed Theology. In this informed and accessible historical study, Donald MacLeod, one of Scotland's current leading theologians, looks to the past to assess the impact of prominent theologians of the sixteenth and seventeenth centuries, always with an eye to demonstrating how their writings speak to contemporary challenges facing the Church today.

Donald Macleod

Donald Macleod retired as the Principal of the Free Church of Scotland College, Edinburgh in 2010. Regarded as one of Britain's most prominent theologians he has written extensively on a wide range of issues.

MENTOR

Whether you are interested in Scottish theology or not, you will not be able to put down this intriguing volume, for it touches on the big questions that face all humans, and in so doing, takes us into the heights and depths of Christian theology. I have found him to be judicious and fair; always relating theological truth to the world we live in.

Douglas F. Kelly

Professor of Theology Emeritus, Reformed Theological Seminary, Charlotte, North Carolina

Professor MacLeod's engaging style and elegance of expression is well known, and he has used his literary gifts to illuminate the theology of an extraordinary period of Scottish history. I simply cannot recommend this volume highly enough. It is a tour de force of perceptive scholarship.

Bruce Ritchie

Lecturer in Church History, Highland Theological College, Dingwall, Scotland

Not for over eighty years has there appeared a treatment as authoritative as this ... an outstanding contribution that presents a range of important Scottish theologians from Hamilton to Witherspoon in an appreciative but realistic light. This should be the standard for many years to come.

Robert Letham

Wales Evangelical School of Theology, Bridgend, Wales

I have been waiting for this book to be written for over thirty years. And Donald Macleod is the only one who could have written it. The history is important. The theology more so.

For anyone looking to begin to understand this theological giant, Bradley Green's biography offers a clear insight into Augustine's life and beliefs. In the words of the patristic himself, 'Take and Read'.

Bradley G. Green

Bradley G. Green teaches theology at Union University in Jackson, Tennessee. He is the author of several books. Brad and his wife Dianne have three children—Caleb, Daniel, and Victoria. Brad and Dianne also helped co-found Augustine School, a Christian liberal arts school in Jackson, Tennessee.

Basil of Caesarea

His Life and Impact

Marvin Jones

- Famous for fighting a growing heresy, Arianism
- Champion of the underprivileged
- Part of Early Church Fathers series

Much is known about Basil of Caesarea (329–379) – a Greek Bishop in what is now Turkey. A thoughtful theologian, he was instrumental in the formation of the Nicene Creed and fought a growing heresy, Arianism, which had found converts even in those in high positions of state. In the face of such a threat he showed courage, wisdom and complete confidence in God – without which, the Church would not be what it is today.

Marvin Jones

Dr. Marvin Jones is the Assistant Professor of Theology and Church History, at Louisiana College, in Pineville, Louisiana. His Ph.D in Theology is from Southwestern Baptist Theological Seminary and his Doctor of Theology in Church History is from the University of South Africa. His area of interest is Theology and Church History, and he has contributed to Christian scholarship through his writings. He has also pastored churches in North Carolina, Georgia, Texas, Nevada and Louisiana.

For the Mouth of the Lord Has Spoken

The Doctrine of Scripture

Guy Prentiss Waters

- Part of the REDS series
- Revelation, inerrancy and sufficiency of scripture
- Engages with Enns and Barth

There is no book better than the Bible. It is God's own word. He breathed it into existence. He does wonderful things in and by it. But there is hardly a book more assailed, mocked, and assaulted than the Bible. New Testament Professor Guy Prentiss Waters delves into the doctrine of Scripture. Addressing the revelation, inspiration, inerrancy, sufficiency and perspicuity of the Bible, he also engages with what some other prominent theologians had to say on the subject.

Guy Prentiss Waters

Dr. Guy Prentiss Waters is the James M. Baird, Jr. Professor of New Testament at Reformed Theological Seminary, Jackson, Mississippi. He is a Teaching Elder in the Presbytery of the Mississippi Valley (Presbyterian Church in America).

MENTOR

... meets challenges head-on, showing how the Reformed doctrine of Scripture, which takes seriously Scripture itself, best answers challenges old and new. Waters helps us see how the Bible is—wonderfully—a book unlike any other.

Brandon D. Crowe

Associate Professor of New Testament, Westminster Theological Seminary, Philadelphia, Pennsylvania

It is a first-class treatment of the doctrine, rich in the categories of systematic and historical theology. ... it is written with the admirable clarity and deceptive simplicity for which Waters is becoming known. And finally, it ends with courteous but firm engagement with Karl Barth and Peter Enns.

D. A. Carson

Research Professor of New Testament, Trinity Evangelical Divinity School, Deerfield, Illinois

This is an important contribution to a discussion necessitated by what an apostle called 'God's oracles' (Rom. 3:2) in an intellectual atmosphere that prizes human speculation over divine revelation.

Robert W. Yarbrough

Professor of New Testament, Covenant Theological Seminary, St. Louis, Missouri

... faithfully explains not only what the Bible is, but why God has given it to us—what He has designed for His Word to do in and through us. Along the way, Waters also teaches us both how to read the Bible and how to apply it to our daily lives.

Reforming Free Will

A Conversation on the History of Reformed Views

Paul Helm

- Historical reformed orthodox views of free will
- Tackles the views of Muller and Vos
- Part of the REDS series

In the light of what powers and faculties are human beings responsible individuals in the everyday? In his theological, historical and philosophical examination of reformed orthodox views of free will and divine sovereignty Paul Helm considers determinism and compatibilism and their historical development between 1500 and 1800. He graciously tackles the views of Richard A. Muller and Antonie Vos to argue that compatibilism is deeply rooted and represents the mainstream understanding of the reformers' conviction on the matter.

Paul Helm

Paul Helm was Professor of the History and Philosophy of Religion, King's College, London, 1993 – 2000. Before that he taught at the University of Liverpool for thirty years, and afterwards at Regent College, Vancouver during the years 2001–5. He has written a number of books. His latest is Human Nature from Calvin to Edwards (2018).

MENTOR

... worthy of finer engagement and examination by historians and theologians alike. In this work on Reformed Orthodox approaches to free will, human agency, and human choice, this scholarly contribution furthers the conversation on a range of debates historical, theological, and intellectual among proponents of synchronic contingency, indeterminism, and compatibilism.

Todd Rester

Associate Professor of Church History,
Westminster Theological Seminary,
Philadelphia

Paul Helm ... displays his characteristic skill in theology, philosophy and history to argue that the reformed orthodox are rightly thought of as compatibilists. It is a significant contribution to the growing literature on this topic. I highly recommend this work to anyone interested in this issue or those that surround it.

Michael Patrick Preciado

Minister, philosopher and author of A Reformed View of Freedom: The Compatibilism of Guidance Control and Reformed Theology

... a scholarly yet readable discussion with interlocutors Richard A. Muller and Anthonie Vos on Reformed Orthodox anthropology, in particular human freedom, with attention to issues, such as (synchronic) contingency, compatibilism, and necessity. YOUTH & YOUNG ADULT

True Girl

Discover the Secrets of True Beauty

DANNAH GRESH

It used to be that middle school was the time for talking to kids about modesty and body image issues. Unfortunately, the at-risk demographic is now girls ages 8–10.

Gresh has studied at-risk teen and tween behavior for fifteen years, and she concludes that the best remedy is an age-appropriate, Bible-based understanding of their bodies. With this, girls are “more likely to have healthy friendships, excel academically, and become positive social contributors in their communities, all while expressing their beauty and value appropriately.”

Through a creative self-help text format that includes sidebars, quizzes, games, exploded quotes, and graphics—plus an optional devotional companion, *True Girl Mom-Daughter Devos*—twens will be prepared for what’s ahead.

“We can change what tween girls see when they look in the mirror by changing what’s inside their hearts,” writes Gresh, and that’s the goal of this book

True Girl Mom-Daughter Devos: with Coloring Experience

DANNAH GRESH

Tweens aren't meant to grapple with modesty and body image issues alone. But many moms don't know quite how to talk about these issues.

True Girl Mom-Daughter Devos fills that gap. A companion to *True Girl*, it cements the truths of that book and provides an opportunity for moms to talk through these important issues with their daughters. It's not just a book, but a connecting experience for mothers and daughters. Together they'll go on a journey to meet with their Creator and learn to see themselves through His eyes.

True Girl Mom-Daughter Devos has a simple format of 30 daily devotions. It features:

- Weekly interactive conversation starters
- A leader's guide appendix at the end
- Downloadable resources at the author's website.

The *True Girl* Series exists to bring moms and daughters together for age-appropriate, biblical conversations about true beauty, modesty, and purity.

Ruth

Becoming a Girl of Loyalty--True Girl Bible Studies

DANNAH GRESH

Ruth was a young woman who lived at a time when people seemed to only care about themselves—not God. And certainly not each other. So imagine how remarkable it was when Ruth gave up everything—her comfort, home, and even hope for a future—to travel to a foreign land to help her friend in need. Though Ruth would have nothing, she went anyway! And as you'll see, the story turns out pretty amazing. In *Ruth: Becoming a Girl of Loyalty*, a six-week study, you'll enter Ruth's story and learn how you can also become loyal, loving, and godly.

True Girl Bible Studies feature important women from the Bible so that from their examples, we can learn what it looks like to be a True Girl. Each study is designed to help moms lead their daughters deeply into the Word of God so that they can develop a steady love for Scripture. Together, moms and daughters can discover what it means to be a True Girl after God's own heart.

When her friend was in need, Ruth remained loyal.

I Love You to the Stars

When Grandma Forgets, Love Remembers

Crystal Bowman and Doug Groothuis
Illustrated by Robert Sauber

Helping children find their way through the confusing world of a loved one developing dementia

Grandma has come to live with Noah's family, and he couldn't be happier. They put together puzzles, read books, and play with Sunny, Grandma's dog. And she never misses a chance to tell Noah that she loves him "to the stars."

But lately Grandma hasn't been the same. She does funny things like putting her shoes in the bathtub, and not so funny things like getting lost and forgetting how to read. Mom explains that Grandma's brain has gotten sick, and it makes her forget things. That means it's their job to remember for her—and to make sure she always knows that she is loved as much as she loves them.

With thoughtful, child-friendly language and warm, painterly illustrations, *I Love You to the Stars* is a beautiful book that helps children understand the often-scary reality of a grandparent or older friend experiencing dementia. It can be read with an adult, along with the discussion questions included at the end of the book, or pulled from the shelf by little hands whenever they need a reminder that love is always there.

Joel R. Beeke

Here is a 'Big Book' on big stuff. Paul says that God's ways are 'untrackable'—and they are, but he has left some of his 'tracks' in redemptive history and Linda Finlayson has pursued them in this attractive, colourful, vibrant tome, in which she has pulled together the strings of biblical history and in such concise form has placed them in your lap.

Dale Ralph Davis

Respected Author and Old Testament Scholar

Clearly written, with helpful commentary on key people, events, context, and theological significance, and beautifully illustrated, this book will be a great resource for parents and Sunday school teachers as they seek to engage children with the biblical story.

This book looks to be a most suitable help for all wanting to understand the flow of God's salvation history.

God Made Us Just Right

Allia Zobel Nolan; illustrated by Katy Hudson

No need to compare—God has a reason for creating everyone just the way they are!

Through playful illustrations of animals and warmhearted words in rhyme, young children will see God as their loving creator. *God Made Us Just Right* helps them realize that God has a reason for creating us just the way we are.

Kids who are always asking, "Why, Mom?" and "How come, Dad?" will easily relate to the back-and-forth question-and-answer format. It's a book the whole family will enjoy.
