SACRED WISDOM

An Interdisciplinary Commentary on the Book of Proverbs

The wisdom literature found in the Book of Proverbs shares timeless truths that transcend boundaries, including living responsibly or recklessly, human pain and suffering, justice, kingship, marriage, the discipline of children, wealth and poverty, industriousness, integrity and truth, and fear of the lord.

Much like the previous interdisciplinary commentary by Tiberius Rata and Kevin Roberts, Fear God and Keep His Commandments: A Practical Exposition of Ecclesiastes, Sacred Wisdom is written for thoughtful students of the Bible who want theological and psychological perspectives on a much beloved book of the Old Testament. Well-respected long-time pastor, Knute Larson, joins Rata and Roberts to provide a pastoral viewpoint on the words of Proverbs.

Kevin Roberts, B.S., M.A., Psy.D., is provost at Grace College, Winona Lake, Ind. Dr. Roberts is a graduate of Grace College, including an M.A. in Counseling, and holds a Psy.D., from Adler School of Professional Psychology. His special interests include integrated health care practices and behavioral medicine and addiction treatment.

Tiberius Rata, B.S., M.Div., Ph.D., is associate dean, School of Ministry Studies and professor of Old Testament Studies at Grace College and Theological Seminary, Winona Lake, Ind. Dr. Rata is a graduate of California State Polytechnic University, Pomona, Calif., and holds an M.Div. from Golden Gate Baptist Theological Seminary, and a Ph.D. in Old Testament from Trinity Evangelical Divinity School. He has a passion for instilling in his students a love for God and His inerrant Word.

Knute Larson, B.A., M.Div., D.Min., is a pastoral and personal coach and teacher who draws on 41 years as a pastor in Ohio at The Chapel, Akron and Grace Church, Ashland. He lives by the sand dunes in southwest Michigan with his wife of nearly 60 years, Jeanine, near their two married daughters. Knute has six other books, one on the Epistles from which he coaches pastors and preaches in churches.

You Must Be Born Again

JONATHAN MASTER

Is the new birth still relevant? Jonathan Master answers with a resounding yes in this short primer on Christ's teaching. Learn about the problem we all face, the heart change God repeatedly promises throughout Scripture, the Holy Spirit he sends to accomplish his work, the new life that believers possess, and the glorious transformations that follow rebirth.

Jonathan L. Master (PhD, University of Aberdeen) is president of Greenville Presbyterian Theological Seminary.

Endorsements

"Jonathan Master explains the foundational truth of the new birth with engaging clarity and brevity in his excellent primer. I cannot think there is a better, briefer exposition and thoughtful application of this truth in print. This is a book that should be read by every Christian and be on every church book table."

—lan Hamilton, President and Professor of Historical Theology, Westminster Seminary UK

"Here is crystal clarity about the depths of our sin and our spiritual need and God's promise in Jesus Christ to give to all who seek him not simply a better moral compass but a whole new self. This timely little volume sums up the most urgent need of the age: you must be born again!"

—David Strain, Senior Minister, First Presbyterian Church, Jackson, Mississippi

"There could not be a more needed message in this hour than the truth of the new birth. This doctrine runs throughout the pages of Scripture, yet becomes most prominent in the words of Jesus Christ. I urge you to read this book because your eternal destiny is at stake. May God give you eyes to see and a heart to enter the kingdom of heaven."

A Treasury of Nature

Illustrated Poetry, Prose, and Praise

LELAND RYKEN

Calvin, Spurgeon, and Luther appear alongside Wordsworth, Twain, and Emerson in a vibrant celebration of God's creation. Ryken joins great works of poetry, hymnody, prose, and art with accessible literary analysis.

Leland Ryken (PhD, University of Oregon) is the author of more than fifty books on biblical and literary topics, the literary editor of the ESV Bible, and emeritus professor of English at Wheaton College in Illinois.

Endorsements

"John Calvin referred to nature as the theater of God's glory. Dr. Ryken's superb anthology offers us a front row seat to take in nature's artistry, beauty, and awe. Here we meet poets and pastors, hymn writers and philosophers, all giving us better eyes to see and better ears to hear God's glorious revelation in nature."

-Stephen J. Nichols

"Jesus spoke in parables, not so that everyone would understand them, but so that only those with eyes to see and ears to hear would perceive and heed their deeper message. In his new anthology, Leland Ryken beckons us to open our eyes and ears to the beauty, wonder, and holiness of nature that we so often miss in our busy, distracted lives. He calls on us, as Wordsworth does, to come forth and bring with us a heart that watches and receives."

-Louis Markos

"'Nature itself is a work of art,' Dr. Ryken observes, and his latest collection combines two things many a reader loves most, literature and nature, while pointing us to what deserves to be loved best: the Great Artist of all. Rich in language and lush in visuals, Dr. Ryken's A Treasury of Nature offers a contemplative excursion into nature as praise for the worlds within words, and the God who made them. Enjoy his captivating interweaving of art, literature and praise outside amidst the trees in the sweet-smelling grass whilst soaking up sun and birdsong, or inside on a grey day sipping a cuppa to the soothing music of the rain. Dr. Ryken, always our trusted guide in faith and literature, takes us on an informative and meditative travelogue of verbal artistry and literary craftsmanship, a reading experience resounding throughout with the reminder 'Blessed indeed is he whose hope is in the Lord his God, who made heaven and earth, and the sea, and all that is in them.'"

Rest

Creating Space for Soul Refreshment

31-Day Devotionals for Life HEATHER NELSON

God wants us to rest. In fact, he designed us to need to rest, and he commanded us to rest as an expression of our freedom as his people. So why do we have such a hard time pausing to find refreshment and renewed strength? Biblical counselor Heather Nelson diagnoses the patterns of thinking that lead us to reject rest and helps us, over thirty-one days, to develop a plan for rest that is biblical and tailored to our own specific context and needs.

Heather Nelson (MA, Westminster Theological Seminary) is a biblical counselor at Mountain View Christian Counseling in Greenville, South Carolina, and the author of Unashamed.

Endorsements

-Esther Smith, Author, A Still and Quiet Mind

"Highly personal and full of hard-but-fair self-diagnostic questions, this devotional frames rest as freedom flowing from faith in our Creator. . . . Nelson acknowledges that resting well requires effort, but she makes a compelling case that restful refreshment from the Lord is worth it."

—Alasdair Groves, Executive Director, Christian Counseling & Educational Foundation

EDWARD T. WELCH

Blame It on the Brain? REVISED & UPDATED

Distinguishing Chemical Imbalances, Brain Disorders, and Disobedience

EDWARD T. WELCH

Each person's brain is unique and affects daily life in untold ways. But can our brains cause us to sin? Has brain research proved that we're not responsible for certain actions or feelings?

Viewing brain problems through the lens of Scripture, Edward T. Welch distinguishes brain disorders from problems rooted in the heart, yet shows an interplay between both. As he focuses on a few common issues—from Alzheimer's to depression, brain injury to addiction—Dr. Welch lays out a series of practical steps that are adaptable to a wide range of conditions and habits. Understanding the nuances of embodied spiritual life will enable pastors, counselors, families, and friends to help others and themselves, even in complex situations.

This new edition of the 1998 classic has been extensively updated and revised by the author.

Edward T. Welch is a counselor and faculty member at the Christian Counseling and Educational Foundation (CCEF). He is author of a number of books, including *When People Are Big and God Is Small* and *Addictions:* A Banquet in the Grave.

Endorsements

"More than twenty-five years ago, I read the first edition of *Blame It on the Brain?* as I began my journey into studying and teaching biblical counseling. It was a good book then—full of useful observations and quotes. I paraphrased and taught them. One such was that, when it comes to taking medication, "The question is more 'Is it wise?' than 'Is it wrong or right?'" This weekend I read the new edition and found the old quote. Tonight as I counseled, things I'd read found their way into the counseling process. This new edition is full of good observations and things to quote! And it is a very good book."

—Charles Hodges, Counselor and Instructor, Faith Biblical Counseling Ministry, Lafayette, Indiana

"In *Blame It on the Brain?* Ed Welch masterfully and compassionately gives us a biblical framework for understanding brain-related human suffering. He then helpfully applies this framework to specific areas where suffering people often seek help. The book equips counselors, carers, pastors, elders, deacons, and Christian friends to understand brain-related issues from a biblical perspective and provides tools for practically coming alongside suffering people."

Tracing His Promise

Understanding the Bigger Story of Jesus and What That Means for Us

Donna Amidon

Rediscover Jesus through ancient stories and find renewed trust in God.

For many believers, the Old Testament seems intimidating, with the unfamiliar pames and the with the unfamiliar names and distant places. But author Donna Amidon demonstrates that these ancient stories aren't simply history; they're a vibrant tapestry revealing Jesus and reflecting God's unwavering promise of redemption.

In Tracing His Promise, Amidon guides readers through twenty-five stories from Scripture that trace the promise of Jesus from creation to Bethlehem. Amidon blends rich theology with everyday application as she unlocks the Old Testament's hidden treasures and highlights God's faithfulness from the beginning. Along the way, readers will find discussion questions, relatable anecdotes, and beautiful artwork. They will also be invited to share these stories with their families through printable ornaments and an Advent activity called the Jesse Tree Tradition.

Through Tracing His Promise, readers will gain a deeper understanding of the Bible as one interconnected narrative, with Jesus as the centerpiece.

Donna Amidon is a graduate of Southern Evangelical Seminary and a dedicated teacher at Back to the Bible. She's a seasoned speaker at women's events and conferences, bringing insights from years of leading women's Bible studies. The Tension of Tidy

Uncovering God's Perfect Grace for Your Imperfect Space

Hilary Bernstein

Discover peace in imperfection through God's grace.

Busy moms trying to juggle work and family life need a resource to gently remind them that their homes don't need to look like the perfectly staged spaces they see on TV and social media. God's grace abounds, including in homemaking. With a biblical viewpoint, Hilary Bernstein assures readers that it's possible to ease the tensions that arise from maintaining a comfortable home.

The Tension of Tidy invites readers to reflect on the Psalms and allow God to shape their perspective about their homes. Rather than continuing to run on the hamster wheel of the world's changing trends and expectations, readers will realize that life can be a balance of work and rest fueled by God's unchanging grace.

As a women's ministry director, Hilary Bernstein provides a valuable perspective through relatable topics, action steps, practical and biblical teaching, and a realistic approach to keeping the home tidy. At the end of each chapter, readers will find encouragement with "Tension Tamers" that offer thoughtful questions or gentle pushes to make changes in how we deal with our own imperfections.

Hilary Bernstein is the women's ministry director at The Chapel in Green, Ohio, where she brings a wealth of experience from her roles as a blogger, newspaper editor, and columnist. A prolific author, Hilary has recently published *Prayerful Living* and twelve other impactful devotional books.

Sacred Refuge

Finding Unexpected Shelter in Your Crisis

Lynne Rienstra

Break free from worry and find refuge under his wings.

In Sacred Refuge, Lynne Rienstra taps into the growing angst of deep concern turned chronic worry among women. Readers will be challenged to consider where they've been finding shelter: in flimsy structures of their own making, or in the sacred refuge of Christ?

With her experience as a regional director for Samaritan's Purse, Lynne offers true stories of women in crisis around the globe and in Scripture. Today and throughout history, women who have sought shelter in Jesus have found solace. Readers are invited to join this sisterhood—to break out of hiding, learn from the trials and triumphs of other women, and find a haven for their hearts. Within the shelter of Christ, women are equipped to address their fears and bring God's peace to a hurting world.

Through the personal application, breakout boxes, and study questions found at the end of each chapter, women will be encouraged not only to find refuge but to invite others to join a biblically based sisterhood determined to spread light in a darkened world.

Lynne Rienstra is a Smith College English graduate with a certificate in spiritual formation, which allows her to bring a global perspective shaped by her travels to twenty-seven countries. Her impactful work with Samaritan's Purse focuses on serving those affected by war, poverty, disaster, disease, and famine. Alongside her role as the wife of Trinity Presbyterian Church's senior pastor in Georgia, Lynne finds joy in family and indulges in interests such as Earl Grey tea, French culture, period dramas, and vintage clothing finds.

The Trauma Tree

Going Beyond Survival, Growing Toward Wholeness

Lisa Saruga Foreword by Angeline Boulley

In a broken world, there is hope for healing.

Trauma is a liar. It tells us that all hope is lost, that our pain will always define us. Lisa Saruga, a licensed professional counselor and EMDR therapist, knows this deception firsthand. Having walked through her own traumatic experience, she now passionately guides others toward healing.

Mere survival isn't the goal, even if that's all we feel capable of. While we may never fully "get over" trauma, we can get through it to experience joy, peace, and goodness with the help of the Lord. The Trauma Tree illuminates the Godgiven resources we were created with—many we may not even realize we possess—and offers methods for processing emotions, finding a healthy support system, and starting effective therapeutic paths to healing.

With authentic accounts of growth from others who have navigated their own trauma, Saruga demonstrates how readers can embark on a similar journey—going beyond survival and growing toward wholeness.

Lisa Saruga is a licensed professional counselor, EMDR trauma therapist, speaker, and author. She's certified as a legal and ethical specialist by the American School Counselor Association. Saruga's advocacy extends to legislative efforts for survivor justice and her impactful contributions as a writer, notably in Carolyn Stone's *School Counseling Principles: Ethics and Law.* Her debut book, *The Trauma Tree*, signifies a new chapter in her commitment to empowering others, marking her as a prominent voice in the field. Find her at lisasaruga.com.

- Includes encouraging, real-life stories of people who have lived through trauma and found joy and peace
- Provides biblically based self-help techniques that are easy to implement immediately, as well as therapeutic approaches to resolving post-traumatic stress symptoms
- Author writes from the perspective of both a trauma survivor and trauma therapist

Daily Readings by C. H. Spurgeon

C. H. Spurgeon

- Reading for every day of the year
- Pocket sized
- Tan & blue imitation leather with ribbon bookmark

Spurgeon wrote these readings to encourage believers to claim the full provision that their relationship to Jesus entitles them to realise. We must present the promises of Scripture to God in prayer and faith, anticipating that he will honour what he has said. Each day's devotion therefore begins with a verse of scripture and is followed by a brief exposition to exhort and encourage believers to continue walking with God. Dated from 1st January to 31st December, and drawing on verses from throughout the Bible, Spurgeon assures readers of the necessity and relevance of God's word for every day.

C. H. Spurgeon

C. H. Spurgeon, the great Victorian preacher, was one of the most influential people of the second half of the 19th Century. At the heart of his desire to preach was a fierce love of people, a desire that meant he did not neglect his pastoral ministry.

Mothering Against Futility

Balancing Meaning and Mundanity in the Fear of the Lord **Simona Gorton**

- God uses repetitive, mundane work of motherhood
- · How motherhood points us to glory of God
- Pulls themes from book of Ecclesiastes

This book was written to showcase how God uniquely uses the 'vanity' inherent in the work of motherhood to display the beauties of the gospel. The mundanity is a signpost pointing us to the glory of God if we'll let it. In the calling of motherhood, God transforms our sight and opens our eyes to the gospel paradoxes of weakness as strength, smallness as glory, inefficiency as faithfulness. Our lives and actions, surrendered to Him like loaves and fishes, can become showpieces of gospel hope and glimpses of eternal joy.

Simona Gorton

Simona Gorton lives with her husband and three children in an old farmhouse in Harrisburg, Pennsylvania, which they love to fill with good food and better friends. Growing things out of the dirt, hearing her children's made-up stories, and reading John Buchan are some of her greatest loves. She has authored youth and adult biographies of Elaine Townsend and worked as the International Operations Manager of 9Marks.

Introducing Jesus

The Fourfold Gospel

Andreas J. Köstenberger

A book for those who think they know Jesus and for those who know they don't.

an anyone in our high-tech world truly understand someone who lived two thousand years ago? Can we get through twenty centuries of tradition to the real person who started it all? Andreas Köstenberger shows that the Gospels, the four earliest records about Jesus, do just that. These writings, named Matthew, Mark, Luke, and John, alongside key facts about the ancient world, bring Jesus's life, his words, and his legacy into focus.

Introducing Jesus gets to the heart of what was-and isimportant about Jesus. Köstenberger uses succinct prose, photographs, maps, charts, and more to address these questions:

- · What did each gospel writer intend to convey about
- What historical backgrounds help us understand Jesus
- What aspects of Jesus's life and teaching do the Gospels emphasize?
- What does Jesus mean to people living today?

Adapted from Köstenberger's The Jesus of the Gospels (2020) for a younger readership, Introducing Jesus lends itself well to the typical organization of a high school year or college semester. A corresponding website includes resources for instructors.

Andreas J. Köstenberger (PhD, Trinity Evangelical Divinity School) is research professor at Palm Beach Atlantic University and theologian in residence at Fellowship Raleigh. He is also the cofounder of Biblical Foundations and author, editor, or translator of over sixty books.

- Adaptation of an academic book for a wider audience
- Written by an esteemed NT scholar who has authored, edited, or translated more than sixty books

40 QUESTIONS SERIES

Succinct, biblical answers about the role and fundamental importance of the doctrine of the atonement.

A tonement sits at the very heart of Christian doctrine, describing believers' status as "being one again" with God through Jesus Christ. The Incarnate Christ and His Critics

A Biblical Defense

Robert M. Bowman Jr. & J. Ed Komoszewski; Foreword by Michael F. Bird

A current, comprehensive, and clear defense of the deity of Christ.

The central theological claim of Christianity, that Jesus I is God incarnate, finds eager detractors across a wide spectrum-from scholars who interpret Jesus as a prophet, angel, or guru to adherents of progressive Christianity and non-Christian religions and philosophies. Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ.

Authors Robert M. Bowman Jr. and J. Ed Komoszewski focus on five pillars of New Testament teaching, using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized, namely, that Jesus shares in the Honors that are due God, Attributes of God, Names of God, **D**eeds that God does, **S**eat of God's eternal throne.

The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah's Witnesses, Mormons, progressive Christians, Muslims, Unitarians, and others. Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring, wide-ranging, and positive case for the deity of Christ.

Robert M. Bowman Jr. (PhD, South African Theological Seminary) is president of the Institute for Religious Research and an esteemed lecturer in biblical studies and apologetics. He's authored numerous books, including Putting Jesus in His Place and the Gold Medallion Award book Faith Has Its Reasons

J. Ed Komoszewski (ThM, Dallas Theological Seminary) serves as equipping pastor at Reformation Church and advisor to the CEO at the Center for the Study of New Testament Manuscripts. He's coauthored multiple books, including Jesus, Skepticism & the Problem of History and Putting Jesus in His Place.

The Ichthus Christogram and Other Early Christian Symbols

J. Daniel Hays

An intriguing and revealing look at the ancient images and symbols integral to understanding the identity and teaching methods of the early church.

Scattered around the Mediterranean world, attentive modern-day visitors will notice a symbol depicting an eight-spoked wheel carved into stone walls, floors, and funerary art. This symbol has long been considered the remnants of an ancient game or the work of vandals, but author J. Daniel Hays argues its proliferation was the work of the early church, and it should be included in the greater corpus of Christian art, iconography, and symbolism.

In *The Ichthus Christogram and Other Early Christian Symbols*, Dr. Hays examines the early church's visual symbolic world and its history following the acts of the apostles—from the Great Persecution to the Christianization of the pagan world. Along the way, he takes the reader to key cities of ancient Turkey, Greece, and Israel to explore the political, architectural, and religious backgrounds of local churches and how such contexts informed their use of the eight-spoked Ichthus Christogram to teach orthodoxy and combat heresies, to remind illiterate believers of the basic tenets of the faith, and to declare victory over demonic forces. This is a must-read for students of church history and ancient Christian art.

J. Daniel Hays (PhD, Southwestern Baptist Theological Seminary) is professor emeritus of biblical studies at Ouachita Baptist University. He is the author, coauthor, or coeditor of seventeen books, including *The Baker Illustrated Bible Background Commentary, Grasping God's Word, God's Relational Presence*, and *The Temple and the Tabernacle*. Galatians and Ephesians Through Old Testament Eyes

A Background and Application Commentary

Gary M. Burge

THROUGH OLD TESTAMENT EYES

A masterful New Testament commentary on the innumerable Old Testament underpinnings of each text that elude the modern reader.

Through Old Testament Eyes is a new kind of commentary series that illuminates the Old Testament backgrounds, allusions, patterns, and references that saturate the New Testament. These links were second nature to the New Testament authors and their audiences, but today's readers often cannot see them. Bible teachers, preachers, and students committed to understanding Scripture will gain insight through these rich Old Testament connections, which clarify puzzling passages and explain others in fresh ways.

Galatians and Ephesians are steeped in Old Testament references. The author of these epistles was trained in rabbinic tradition, raised in Jewish culture, and deeply familiar with the Old Testament. If not properly recognized, many of these allusions and references are missed, and the reader is hindered in their understanding of the Scriptures. *Galatians and Ephesians Through Old Testament Eyes* makes these connections clear, inviting the reader to understand Galatians and Ephesians as the biblical author intended. Author Gary M. Burge offers thorough commentary and real-world application for the scholar and student alike.

Gary M. Burge (PhD, Aberdeen University, Scotland) has served on college and seminary faculties for forty years and today is emeritus professor of New Testament (Wheaton College) and adjunct professor of New Testament at Calvin Theological Seminary. He is the author of many books on the New Testament, including *The New Testament in Antiquity* (coauthored), *Jesus and the Land, The NIV Application Commentary on John*, and *Interpreting the Gospel of John*.

- Latest addition to a unique commentary series receiving wide acclaim
- Authored by an eminent New Testament scholar who writes in an accessible style

Understanding Jeremiah

Its Setting, Composition, and Message

Duane A. Garrett

"I have come to appreciate Jeremiah the prophet above any person of the Old Testament... because his humanity shines so clearly through his hook."

—From the author, p. 4

The book of Jeremiah is full of beauty and brokenness, joy and sorrow. These themes are interwoven throughout the book, often without context or introduction, which can leave the present reader without the full picture of what the passage conveys. In *Understanding Jeremiah: Its Composition, Setting, and Message*, author Duane A. Garrett steps back from verse-by-verse commentary to provide a bird's-eye view of the book, with rich background information to these prophetic writings. This three-thousand-foot view of Jeremiah gives specific insight into:

- The politics, governance, and key players in Judah, Israel, and the surrounding nations
- Jeremiah's life and its witness to holy living
- The structure and composition of the book of Jeremiah
- The broader message of Jeremiah

Garrett's thorough discussion of the book of Jeremiah is informative to both student and scholar alike, giving all readers a more thorough understanding and appreciation of Jeremiah, the book and the prophet.

Duane A. Garret (PhD, Baylor University) is professor of Old Testament at the Southern Baptist Theological Seminary. His recent publications include *The Problem of the Old Testament* and *Jeremiah and Lamentations: A Commentary for Biblical Preaching and Teaching.* He has taught in Korea, Canada, and in the United States, and was at Gordon-Conwell prior to his present position. He has taught advanced courses on the prophets throughout his career and has long had a special interest in Jeremiah.

A Commentary for Biblical Preaching and Teaching

Michael A. Harbin & Mark C. Biehl

KERUX COMMENTARIES

Kerux Commentaries enable pastors and teachers to understand and effectively present the main message in a biblical text.

eviticus focuses on relationships—a relationship with →God through worship and relationships with other people through holiness. Throughout the book, the priests and the Levites receive special responsibilities to help Israel in both these spheres. Authors Michael A. Harbin and Mark C. Biehl show how Leviticus lays out three related practices that would hold these relationships together for the nation of Israel: corporate worship; personal and collective holiness; and righteous living as a covenant community. Harbin and Biehl suggest bridges to our own culture by discussing what the Israelites at Sinai would have understood about the reasons behind what Leviticus prescribes. Just as the Israelites' complex relationships with family and neighbors formed a foundation for both cultural and personal wellbeing, the church today is called to pursue wholistic shalom in its own time and place.

Based on the Big Idea preaching model, Kerux enhances the reader's ability to deliver a message that is biblical, cohesive, and dynamic.

Michael A. Harbin (ThD in Old Testament and Semitic Studies, Dallas Theological Seminary) is professor emeritus of biblical studies at Taylor University with thirty years of teaching experience.

Mark C. Biehl (DVM, University of Illinois) serves as lead pastor of Upland Community Church, bringing a unique background with twenty-two years in veterinary medicine. He graduated from Trinity Evangelical Divinity School and completed a ministry residency at College Church in Wheaton.

Ecclesiastes and Song of Songs

A Commentary for Biblical Preaching and Teaching

Jordan W. Jones & Christopher R. Pascarella

KERUX COMMENTARIES

Kerux Commentaries enable pastors and teachers to understand and effectively present the main message in a biblical text.

uthors Jordan W. Jones and Christopher R. Pascarella Authors Jordan W. Jones and Christopher A. Ademonstrate how Ecclesiastes and Song of Songs fit alongside other Old Testament wisdom literature. Ecclesiastes echoes the familiar biblical teaching on the eternality of God and the future judgment being a source of comfort in the face of stark realities acutely familiar to believers today. Song of Songs elevates the place of love and sexual intimacy in marriage relationships, prefiguring the analogy of the church as a spouse devoted to Jesus. Jones and Pascarella guide teachers and preachers to see how the holy disillusion of Ecclesiastes and the overflowing love in Song of Songs interact with other biblical teachings to present a coherent approach to life and love.

Based on the Big Idea preaching model, Kerux enhances the reader's ability to deliver a message that is biblical, cohesive, and dynamic.

Jordan W. Jones (PhD, Hebrew Union College) is an assistant professor of biblical studies at Regent University School of Divinity in Virginia Beach, Virginia. Specializing in biblical Hebrew and wisdom literature, he authored She Opens Her Hand to the Poor: Gestures and Social Values in Proverbs.

Christopher R. Pascarella (MDiv, DMin, Southern Baptist Theological Seminary) is a pastor at Lincroft Bible Church in Lincroft, New Jersey. He wrote his doctoral project on a biblical theology of the covenants.

Isaiah, Vol. 1: 1-39

A Commentary for Biblical Preaching and Teaching

Robert B. Chisholm Jr. and Michael Hontz

KERUX PREACHING COMMENTARIES

Reveals the key theme from each passage of Isaiah in order for pastors to effectively deliver biblical, cohesive, dynamic messages.

Kerux Preaching Commentaries enable pastors and teachers to understand and effectively present the main message in every biblical text. Each volume is written by an expert in biblical exegesis and in partnership with an experienced homiletician. Each volume is divided into distinct preaching segments, in which the authors guide the reader through a well-tested sequence: exegetical analysis, theological focus, and teaching strategy.

In this first of two volumes, authors Robert B. Chisholm Jr. and Michael Hontz apply exegetic and homiletic training to help elucidate the richness of Isaiah. With faithfulness to the biblical witness, these authors explore chapters 1–39 of Isaiah, discussing what it would have meant to the original audience and how this can inform what it is saying to the church now. In these chapters, cries for redemption are interspersed with denouncements of injustice and economic exploitation, and warnings of judgment are mingled with words of hope. Ultimately, Isaiah is about God's faithfulness—an enduring faithfulness that persists despite the unfaithfulness of Israel, Judah, and all the nations.

Robert B. Chisholm Jr. is chair and senior professor of Old Testament studies at Dallas Theological Seminary, where he has taught since 1981. He has authored *A Commentary on Judges and Ruth* for the Kregel Exegetical Library, as well as several studies on the book of Isaiah and the prophetic literature.

Michael Hontz holds a master of divinity in biblical exegesis from Grace Theological Seminary. He and his wife, Marta, have two daughters, Elliana and Emily. They live in Warsaw, Indiana, where Hontz serves as the senior pastor of Pleasant View Bible Church.

- The book of Isaiah is a core book for biblical preaching and teaching
- Exegetical commentary is based on the scholarly "Big Idea" concept
- Jointly authored by an eminent exegetical scholar and an experienced homiletician

Every book is a resource designed and written with the real needs of the pastor and teacher always in sight, providing many ways to creatively express the principal thought in a biblical passage.

Adam Smith

Great Thinkers JAN VAN VLIET

Adam Smith's religion drove his prescriptions for a virtuous humanity and a free and flourishing society. Jan Van Vliet examines how the practical implications of these strike a common chord with Scripture.

Jan van Vliet (PhD, Westminster Theological Seminary) is professor of economics emeritus at Dordt University and past professor of theology at Prairie College in Alberta. He is the author of *The Rise of Reformed System: The Intellectual Heritage of William Ames* and the translator of *Abraham Kuyper's On Islam*

Endorsements

"Van Vliet's study of Adam Smith masterfully uncovers this influential progenitor's entire philosophy, from economics to ethics. Flying in the face of caricatures such as laissez-faire and raw capitalism, so often falsely attributed to Smith, this reading reveals how profoundly concerned this philosopher was for the poor and the destitute, as well as other effects of social injustice. At the same time, van Vliet sharply criticizes Smith for his lack of a robust Reformed theological undergirding. The lasting effect of such an honest appraisal of Smith's work is the timeliness of his views, especially in the face of our present cultural upheavals."

—William Edgar, Professor of Apologetics, Westminster Theological Seminary

"Jan van Vliet has written an excellent work both expositing and summarizing the work of Adam Smith and offering a Reformed Protestant engagement and critique of Smith, with special attention given to the thought of Cornelius Van Til. If you suspect that what you were taught on Adam Smith in your college economics class might be a tad askew, this book is for you. Van Vliet works through the key insights of Smith's The Theory of Moral Sentiments and Wealth of Nations, and argues persuasively that Smith was concerned with the proper ordering and prospering of the culture as a whole, particularly with justice for the poor and underprivileged. Kudos to van Vliet for a super book."

Making Sense of Man

Using Biblical Perspectives to Develop a Theology of Humanity

VERN S. POYTHRESS

Poythress uses multiple biblical perspectives to address the origin of humanity, the image of God, body and soul, the creational covenant, free agency, human sexuality, and other truths about humanity.

Vern S. Poythress (MLitt, University of Cambridge; PhD, Harvard University; DTh, University of Stellenbosch, South Africa) is distinguished professor of New Testament, biblical interpretation, and systematic theology at Westminster Theological Seminary in Philadelphia. He has authored books on a wide range of topics; his notable works include Symphonic Theology, Theophany, and The Mystery of the Trinity.

Endorsements

"I find this the most stimulating and incisive contribution Poythress has made. Even where I disagree with him, there is much that informs and challenges. Poythress's expertise in science and mathematics, his vast knowledge, theological acumen, linguistic and exegetical skill, all combine to make this a book that cannot be missed."

-Robert Letham, Senior Research Fellow, Union School of Theology; Associate Professor, Vrije Universiteit Amsterdam; Senior Fellow, Newton House, Oxford; Fellow in History and Theology, Greystone Theological Institute, Pittsburgh

"Vern Poythress is one of the most important theological voices of our time, and in this book, Dr. Poythress confronts one of the great intellectual and apologetic challenges of our age—the development of a faithful theology of humanity. The apocalyptic warnings of the twentieth century have turned into the very real threats to human dignity that we face in our own times. Christians need the conviction and scholarship that Dr. Poythress brings to this book. One of the most important aspects of this volume is the author's willingness to take on so many of the most vexing questions of our age, and to respond very clearly with biblical truth."

-R. Albert Mohler Jr., President and Centennial Professor of Christian Theology, The Southern Baptist Theological Seminary

"Man does require a 'making sense of' today, and Poythress has led us back to the inscripturated revelation of man's Maker, where true sense-making must begin."

Cyril of Alexandria (c. 376 – 444 AD) was a towering figure in early Christianity, renowned for his theological prowess and leadership. Mark

The Servant Ministry of Jesus

Eric C. Redmond

- Part of Focus on the Bible series of commentaries
- Tackles disputed longer ending of Mark

Although the shortest of the gospel accounts, the book of Mark is not lacking in importance. Written to a largely non—Jewish audience, it arose from a need for a quickly written, simple account of the life of Christ that affirmed his deity. Eric C. Redmond opens up this fast—moving book for us and highlights how Mark emphasises how the servant ministry of Jesus reveals him as the authoritative Son of God to those who have simple faith in him, granting them entrance into the kingdom of God and calling them to service in the way of God.

- How Spurgeon's ecclesiology affected his ministry
- · Reformed ecclesiology and Baptist polity
- · First book in Spurgeon's Legacy series

Charles Haddon Spurgeon faithfully served the Metropolitan Tabernacle from 1854 to his death in 1892. Undergirding everything else was this central responsibility: Spurgeon was the pastor of a church. What was Spurgeon's ecclesiology and how did it affect how he ordered and led his local church? Chang examines Spurgeon's Reformed ecclesiology and Baptist polity and looks at how they were shaped by his militant church outlook.

Righteous By Design

Covenantal Merit and Adam's Original Integrity

Harrison Perkins

- Covenant of Works
- · Underscores grace on the basis of Christ's merits
- Part of Reformed Exegetical Doctrinal Studies

The quest for eternal life intersects with theological debates on grace, works, and human nature. While medieval and Roman Catholic traditions suggested that merit was earned through works, the Reformation tradition emphasized salvation by grace alone, due to humanity's corruption by sin. Perkins examines historical, biblical, and systematic theology to argue for Adam's original righteousness, emphasizing the sufficiency of Christ's merits over human effort, and reinforces the law–gospel distinction and the significance of grace.

Harrison Perkins (PhD, Queen's University Belfast) is pastor at Oakland Hills Community Church (OPC), Senior Research Fellow at the Craig Center for the Study of the Westminster Standards, online faculty in church history at Westminster Theological Seminary, visiting lecturer in systematic theology at Edinburgh Theological Seminary, and author of 'Reformed Covenant Theology: A Systematic Introduction'.

Toward a Reformed Apologetics

A Critique of the Thought of Cornelius Van Til Keith A. Mathison

- Part of Reformed Exegetical Doctrinal Studies series
- Evaluates Van Tillian's views on apologetics
- · Clears away misunderstandings

Cornelius Van Til claimed that all traditional apologetic methodologies are flawed and that those Reformed Christians who use such methods are compromising their theology. His sought an apologetic method that is truly consistent with Reformed theology. For almost a century, theologians have debated this topic. This book seeks to take the debate in a more constructive direction by clearing away as much misunderstanding as possible in order that we might add to discussions of apologetic methods the actual practice of apologetics.

I Dream a Dream for You

Bob Hostetler; illustrated by Benedetta Capriotti

Read-aloud bedtime book for toddlers

With its sweet bedtime rhymes, I Dream a Dream for You resembles the classic title The Going to Bed Book by Sandra Boynton. A family of red pandas make their home in the forest. When it's time for bed, Mom and Dad tuck in their three kiddos, and as they all drift to sleep, dreams come to life through the vibrant pictures and story. Parents or grandparents will enjoy reading this sweet bedtime rhyme, filled with dreams and aspirations for their little ones. With amazing, colorful illustrations, this read-to-me story richly shows the love of a faith-filled family with creative, interesting scenes that kids will love to see over and over—and those who read it to them will experience the blessing of God's love, which is meant to be shown and shared with families.

Bob Hostetler is an award-winning author, literary agent, and international speaker. His first children's book, Don't Close Your Eyes, and its subsequent success, was a dream come true for him. His fifty other books include the award-winning Don't Check Your Brains at the Door (co-authored with Josh McDowell) and The Bard and the Bible: A Shakespeare Devotional. He has won two Gold Medallion Awards, four Ohio Associated Press awards, and a Selah "Book of the Year" honor. He and his wife make their home in Nevada.

Benedetta Capriotti was born in Italy, in a seaside town of the central region Marche. Since she was a child, she has had a great passion for drawing and art. In high school she would draw on Greek and Latin books, so she chose to attend a professional School of Fashion and Technical Drawing. Afterward she joined the Illustration class at the International School of Comics in Rome. In addition to drawing, she likes reading, traveling, and animals, and would like to live in the English countryside.

Endorsements

"There are never enough ways to convey the grace of God to children, and that's why I'm so excited about Pictures of Gospel Grace. This marvelous series is a great way to tell the story of God's favor and mercy over and over again to young readers!"

—Joni Eareckson Tada, Founder, Joni and Friends International Disability Center

"Bible story books for children tend to retell only the more familiar, "important" stories. Dinner with the King is a delightful exception. Children may not recognize Mephibosheth's name, but they will enjoy this rendering of his story. And in it they will see something of who God is and how he shows us grace in our Lord Jesus Christ."

—Starr Meade, Author, Training Hearts, Teaching Minds

"Everyone likes to be invited to dinner, but an invitation from a king would be truly special. In this engaging retelling of the story of David and Mephibosheth, simple words and bright pictures lead readers to consider what it would be like to be an enemy who becomes a king's friend. I highly commend this book, which applies the gospel to young hearts and asks readers (and their parents!), "What would you say to dinner with a king?" The answer, for Mephibosheth and for us, is an emphatic yes!"

Amos and God's Roaring Voice

The Minor Prophets. Book 10

Brian J. Wright and John R. Brown

- Teaches repentance and promotes justice
- Book of Amos as picture storybook
- Points to Jesus

In a land filled with good things, there lived a shepherd named Amos. God told him to tell His people that He had seen the bad things they were doing – and the pain and suffering they caused. Although God had been so kind to Israel, and tried to warn them again and again, they mistreated people and rejected God's word. Amos brings a warning of judgement – but also a message of hope. Brian Wright and John Brown show how Amos's prophecy ultimately points to Jesus.

Micah's Hope

The Minor Prophets. Book 11

Brian J. Wright and John R. Brown

- 10th book in God's Daring Dozen series
- Minor Prophets for 7–10 year–olds
- Teaches reverence and inspires hope

Micah told God's people three times to fear God's judgement for sin but to hope in His faithful love. God says because the people's sin has ruined the land. He will allow the Assyrians to destroy their towns. But one day God will rescue Israel from their enemies, and lead them back home to a place of perfect peace where everyone will thrive. Brian Wright and John Brown show how Micah's prophecy ultimately points to Jesus.

Brian J. Wright and John R. Brown

- Storybook retelling of book of Hosea
- · Shows how Hosea points to Jesus
- · Part of God's Daring Dozen series

God gave Hosea an unusual mission – to show the people of Israel the depth of God's love by marrying an unfaithful woman. Hosea married Gomer, but she made choices that hurt Hosea deeply, leaving him heartbroken. Yet even in the pain, Hosea's love for Gomer never stopped – just like God's love for His people never stops.

- For readers aged 7–10

Long ago in Israel, God sent a young prophet named Zechariah (whose name means, "the Lord remembers") to encourage his people. What was the Tabernacle? Danika Cooley

- What the tabernacle was, and what it was for
- Part of Who What Why series
- For ages 9-11

Although God had rescued his people out of slavery in Egypt, they rebelled against him and worshipped other gods. So God gave Moses rules to teach his people how to love God and each other. He also gave him instructions for how to build a moveable temple for the Lord. This tent provided a way for the Israelites to serve and worship God his way, in reverence and awe. But the tabernacle was also full of symbols that pointed to Jesus – when God became a man and lived amongst his people.
